WHOLESALE CATALOG

GATEWAY TO THE WORLD'S LARGEST CONTAINER NURSERY

MONROVIA NURSERY Co.

P. O. BOX Q · 18331 E. FOOTHILL BLVD. · AZUSA, CALIFORNIA

EDGEGOOD 4-5161

OPEN INVITATION TO YOU

Dear Customer:

It is a pleasure to present this new catalog to you. We hope you will want to use it often, because we realize that we must help you build your business if we are to grow too.

Let me list some of the ways we can help you:

You choose from over 1200 varieties of pot and container grown ornamentals, the largest selection available.

When you sell our ornamentals in containers, you'll get faster profits, greater turnover, at less cost in overhead and space.

Our research staff is constantly bringing out new and improved varieties. We advertise these, build public demand for you. Our old, and new varieties help you satisfy the requirements of the huge, ever growing gardening public.

You get the benefits of our mass-growing millions of ornamentals.

These are your advantages, so we believe you'll want to look to us first for all your ornamental needs.

In closing, please come see us whenever you can. We're just north of U.S. Highway 66 on the outskirts of Azusa, less than an hour's drive from Los Angeles. If you'd like us to meet your plane, train or bus, just let us know in advance and we'll be there.

Cordially,
Howard Past
President

1. FROST-FREE growing grounds are ideal for the many popular flowering and non-flowering varieties of exotic sub-tropicals.

2. CUTTINGS, carefully selected from the best parent stock, are made and flattened here by trained MN workers.

4. MILLIONS of liners of all varieties are grown here for profitable growing on later.

3. YOU WANT ornamentals with husky roots, healthy foliage. Correct fertilization is important.

6. WORLD'S LARGEST volume of five-gallon plants occupies acres at MN. Skilled growing keeps them vigorous and beautifully shaped.

5. BED AFTER BED of gallon size plants stretch into the distance. Soft snow water fills the reservoir in foreground.

8. NURSERIES near and far receive plants from this shipping dock. Careful loading insures plants arriving in top condition.

7. SAFETY-PACKING in light weight cartons protects your order, keeps freight costs down.

WHOLESALE ONLY

This list is intended for the trade only. If it should be sent by mistake to people not entitled to trade prices, we would greatly appreciate if you would notify us at once, so that our mailing list can be corrected.

F. O. B. AZUSA—All prices quoted in this catalog are F. O. B. Azusa, California

TERMS—While our regular terms are cash, we will be pleased to make credit arrangements with established concerns. Open accounts are payable on or before the 10th of the month following date of delivery. Overdue accounts are subject to 1% monthly interest charge and sight draft. No discount will be allowed as it is our policy to maintain attractive prices consistent with high quality stock. The issuance of this catalog automatically cancels all previous quotations. It is understood that all orders accepted are subject to availability of stock at the time of delivery.

CLAIMS—Claims must be made immediately upon receipt of goods. If an error has been made by us, please notify us promptly, and we shall take pleasure in adjusting the matter. We do not guarantee plants to live. At no time will we be responsible for more than the purchase price of the stock ordered.

We carefully pack all stock, and make every effort to secure prompt and careful handling by the transportation company. However, our responsibility ceases upon delivery of stock in good condition to the transportation company.

Please file a claim at once with the transportation company, if your stock has been damaged or delayed in transit. In this connection we shall be glad to assist you in any way we can.

WE ARE A PINTO-TAG NURSERY—This means that our nursery stock can be shipped to all counties in California and released for planting without further inspection. (Tulare and Ventura counties are exceptions).

ACKNOWLEDGMENT—Your orders will be acknowledged promptly and shipments made as quickly as possible, so if your order is not acknowledged please advise us immediately. Sometimes, because of inclement weather, or the press of business, there may be a slight delay in shipping, but we assure you that this will not be more than is absolutely necessary.

Non-Warranty—The Monrovia Nursery Company gives no warranty, express or implied, as to the variety or productivity of any nursery stock it sells. Liability in all instances is limited to the purchase price. No liability is assumed by seller for delay or failure to deliver caused by wars, strikes, fires, floods, droughts, embargoes or any other contingencies beyond seller's control. If the purchaser does not accept the goods on these terms, they are to be returned.

PLANT PATENT & TRADE MARK NOTICE

The following provisions apply to all patented or trade-marked plants we sell. Any asexual reproduction or distribution, by sale, gift, or otherwise of scions, buds, or cuttings for such reproduction, without license from the patent owners, constitutes an infringement of the patent for same. Any unauthorized reproduction, sales or other distribution of reproducing propagating material of these plants prohibited by the patents or trademarks, will subject the reproducer, seller, or distributors thereof to prosecution for infringement under the Patent and Trade-Mark Laws.

MINIMUM QUANTITIES

Please do not order less than the following quantities of any one variety.

25 in 2½" lining-out stock**25 in 3" lining-out stock****10 in 1-gallon containers****5 in 5-gallon containers**

Please keep in mind that an order to be shipped by express, parcel post, or motor freight must total \$20.00 or more. This minimum also applies to local deliveries.

CONIFERS

Your customers often ask for plants that need little care but are still attractive the year 'round. We suggest CONIFERS, the hardy evergreens that are such a graceful, beautiful asset to any landscape. Conifers grow in all sizes and shapes — from low growing ground covers to towering trees. The MN label is your assurance of the finest conifers — vigorous healthy plants with husky root systems. Order MN container and pot grown conifers.

	2½" Pot	1-Gal.	5-Gal.
ARAUCARIA bidwilli. Bunya-Bunya (8)			3.50
Pyramidal tall growing tree, with thick, shiny sharp pointed leaves. Very ornamental.			
ARAUCARIA imbricata (A. araucana). Monkey Puzzle Tree (7)			5.00
A pyramidal tree with strangely twisted branches covered by sharp-pointed, deep green needle-like leaves. Used effectively in tubs.			
CEDRUS atlantica (Seedlings). Atlas Cedar (6)	.20	.60	2.50
Large growing pyramidal tree with branches of blue-green foliage arranged in formal patterns. These are grown from seeds and will vary in color and form.			
CEDRUS atlantica glauca (grafts). Blue Atlas Cedar (6)			3.50
Similar to Cedrus atlantica except the foliage is a sparkling silvery-blue and more compact. There will be some variation in color and form.			
CEDRUS deodora. California Christmas Tree (7)	.20	.60	2.50
One of the finest large conifers for the Southwest. Makes a tall spreading pyramidal tree of fine silvery gray-green foliage.			
B & B 3' 3.00 4' 4.00 5' 5.00			
CEDRUS libani. Cedar of Lebanon (5)	.20	.60	2.50
A picturesque tree of scriptural interest. Needles are a blue-green and are quite stiff. Growth is pyramidal and rigid.			
<hr/>			
CUPRESSUS arizonica gareei (5)			
Grafted to retain the best qualities of Arizona Cypress in an improved form. Grows upright, displaying handsome silvery-blue foliage on branches of distinct whipcord texture. Hardest of the Cypress.			
1-gal. .95 5-gal. 2.50			
<hr/>			
CUPRESSUS arizonica (Seedlings). Arizona Cypress (6)	.15	.50	1.85
Tall fast growing pyramidal conifer with blue-green foliage. Used for reclamation work in deserts and rocky slopes and as a windbreak.			
2-gal. 1.50			
CUPRESSUS arizonica pyramidalis (Cuttings) (6)	.20	.60	2.00
A new very symmetrical compact form of Arizona Cypress having an intense silver blue-green color.			
2-gal. 1.60			
CUPRESSUS sempervirens glauca. Blue Italian Cypress (7)	.20	.60	2.00
This is the best Italian Cypress. Grows into a narrow dense column having deep forest green foliage with bluish cast. Cuttings taken from choice stock to insure the true type.			
2-gal. 1.60			

1. *Juniperus virg. burki*

JUNIPERS IN 1-GALLONS

2. *Juniperus c. armstrongi*

3. *Juniperus c. pfitzeriana*

2½" Pot 1-Gal. 5-Gal.

JUNIPERUS chinensis armstrongi. Armstrong Juniper (3) .20 .60 2.00

The most outstanding semi-erect conifer with a symmetrical birdnest-like habit of growth. It has the vigorous growth of the pfitzer but the foliage is a brighter green.

3" pot .35 2-gal. 1.50 5-gal. globe 3.00

JUNIPERUS chinensis Blue Vase. Texas Star Juniper (4) .25 .75 -----

Dense growing juniper having blue foliage. Grows naturally in a vase shape. Does not have to be sheared.

JUNIPERUS chinensis columnaris. Chinese Column Juniper (3) ----- 2.50

Tall growing, erect conifer with blue-green foliage. Cuttings taken from choice stock to insure bluish compact foliage.

2-gal. 1.75 • B & B 3' 3.00 4' 4.50 5' 6.00

JUNIPERUS chinensis hetzi Columnaris. Green Columnar Juniper (3) ----- 2.75

Attractive medium green juniper, with a columnar habit of growth. Dense growing.

JUNIPERUS chinensis hetzi glauca. Hetz' Blue Juniper (3) ----- 2.00

Spreading juniper similar to Juniper pfitzeriana, but more compact in growth. Foliage is light blue.

JUNIPERUS
TAMARISCIFOLIA

JUNIPERS IN 5-GALLONS
JUNIPERUS
ARMSTRONGI

JUNIPERUS
KETELEERI

JUNIPERUS
PFITZERIANA BLUE

2½" Pot 1-Gal. 5-Gal.

JUNIPERUS chinensis keteleeri. Keteleer Juniper (4) .25 .75 2.75

Bright green, loosely arranged foliage is outstanding for pleasing accent in groupings. Ascending branches create desirable, wide pyramidal shape.

3" pot .45

JUNIPERUS chinensis neaboriensis (3) ----- 2.75

Upright conical form. Green-gray foliage.

JUNIPERUS chinensis Obelisk (4) ----- 2.75

Hardy, narrow, columnar growing juniper with showy dense, stiff foliage that is blue green in color.

JUNIPERUS chinensis pfitzeriana. Pfitzer Juniper (3) .18 .60 2.00

Undoubtedly the most useful Juniper. Semi-erect in form, its soft gray-green foliage captivates everyone.

3" pot .35 2-gal. 1.50 5-gal. Pyramid 2.75

JUNIPERUS chinensis pfitzeriana Blue. Blue Pfitzer (3) .20 .60 2.00

Like the Juniperus pfitzeriana in form, but the foliage is a soft silvery-blue color and more feathery.

3" pot .35 2-gal. 1.50 5-gal. Pyramid 2.75

JUNIPERUS chinensis pfitzeriana compacta. Compact Pfitzer (3) .20 .60 2.00

Much more compact and dense in growth than the Juniper pfitzer. Also shears well to form topiary subjects. Blue-green foliage.

3" pot .35 2-gal. 1.50

MONROVIA NURSERY COMPANY.....Azusa, California

		2½" Pot	1-Gal.	5-Gal.
JUNIPERUS chinensis pfitzeriana Nana (4)	More dwarf in growth habit than Juniper pfitzeriana.			2.00
JUNIPERUS chinensis sargentii. Sargent Juniper (4)	Low spreading growth habit makes this juniper excellent for border or bank plantings. Attractive gray-green foliage.			2.00
JUNIPERUS chinensis Maneyi. Maney Juniper (4)	This semi-erect spreading juniper is ideal for foundation plantings. Foliage has a bluish cast.			2.75
JUNIPERUS chinensis torulosa. Hollywood Twisted Juniper (4)	This very artistic growing shrub combines well with modern architecture. The distinctive stems assume a twisted appearance.			2.75
JUNIPERUS chinensis torulosa variegata.				
Variegated Hollywood Juniper (4)	Similar to Juniperus torulosa except it is slower in growth and the foliage is attractively accented with a creamy yellow variegation.	.30	1.50	3.00
JUNIPERUS horizontalis plumosa. Andora Juniper (3)	Low growing. Gray-green sharply pointed foliage.	.20	.60	2.00
JUNIPERUS communis depressa Vase Shape (4)	True vase shape growth habit. New growth is silver color above and reddish-green beneath. Excellent for foundation plantings.			2.00
JUNIPERUS communis hibernica fastigiata.				
Narrow Irish Juniper (6)	A very narrow erect plant, small in size, blue-green in color, providing many uses.	.18	.60	
JUNIPERUS communis kiyoni (3)	Upright columnar growth. Foliage is a dense medium dark green.	.18	.60	
JUNIPERUS communis suecica nana. Swedish Juniper (3)	Narrow columnar form having blue-green foliage. Growth is compact making it very neat appearing.	.20	.60	
JUNIPERUS conferta. Shore Juniper (5)	Prostrate and spreading, the attractive light-green foliage is unaffected by sun or salt wind. Excellent for ground covers.			2.50
2-gal.	1.75			
JUNIPERUS excelsa stricta. Spiny Greek Juniper (4)	A columnar, semi-dwarf juniper with sharp spiny foliage of blue-green color.	.18	.60	
JUNIPERUS horizontalis wiltoni (3)	Excellent juniper for ground cover plantings. Spreads lower than tamariscifolia. The showy blue foliage is finely textured.			.75
2-gal.	2.00			
JUNIPERUS horizontalis Bar Harbor (3)	Low growing. Foliage in summer a soft blue, turning in winter to a deeper blue with undertones of plum.	.25	.75	2.50
2-gal.	2.00			
JUNIPERUS japonica San Jose. San Jose Spreading Juniper (4)	One of the best prostrate junipers. Sage-green, compact foliage.	.25	.60	2.00
JUNIPERUS sabina tamariscifolia. Tamarix Juniper (3)	Best known of the slow growing, low spreading junipers. Very hardy and useful for bank cover. Blue-green foliage.	.25	.75	2.50
3" pot	.40	2-gal.	1.75	

MONROVIA NURSERY COMPANY.....Azusa, California

		2½" Pot	1-Gal.	5-Gal.
JUNIPERUS scopulorum alba (4)	Pyramidal in growth habit. Foliage is a bright silver blue in color.			2.75
JUNIPERUS scopulorum Blue Haven (4)	Neat pyramidal growth, this Juniper's foliage is the most blue in appearance of any we grow.			2.75
JUNIPERUS scopulorum Chandler Silver (4)	Pyramidal, compact form having an attractive, bluish-silver color.			2.75
JUNIPERUS scopulorum columnaris sneedi (4)	Columnar form, having compact green-blue foliage.	.75	2.75	
JUNIPERUS scopulorum Dewdrop (4)	One of the finest upright junipers we grow. The very compact form almost appears sheared. Small silver-blue needles.	.75	2.75	
JUNIPERUS scopulorum erecta glauca (4)	Excellent selection when an upright pyramidal juniper is needed. Feathery, silver-blue foliage. Neat grower.	.25	.75	2.75
3" pot	.45			
JUNIPERUS scopulorum gray gleam. (Patent No. 848) (4)	Slow growing symmetrical, columnar juniper with attractive gray-blue foliage.			3.50
JUNIPERUS scopulorum heasleyi. (Globe) (4)	Good upright growing juniper that is valued for its globe shape. The dense foliage is blue-green.			2.75
JUNIPERUS scopulorum lakewood globe (4)	Compact juniper with a globular habit of growth. Good blue-green foliage.			2.75
JUNIPERUS scopulorum North Star (4)	Pyramidal juniper with a neat, compact habit of growth. Silver-blue foliage.			2.75
JUNIPERUS scopulorum Pathfinder (4)	Pyramidal form, blue-gray cast to foliage always makes a pleasing accent.	.75	2.75	
JUNIPERUS scopulorum Steel Blue (4)	Pyramidal habit of growth. Showy, deep, steel-blue foliage makes this juniper outstanding.			2.75
JUNIPERUS scopulorum White's Silver King. (Pat. No. 1186) (4)	Exciting dwarf spreading Juniper to ten inches with a charming silver-blue color winter and summer.			3.50
JUNIPERUS squamata meyeri (4)	Has the advantage of appearing multi-colored. Excellent for informal plantings because of its bushy upright, irregular growth.			2.50
JUNIPERUS virginiana burki. Burk Red Cedar (2)	Narrow pyramidal and of course, dense, steel-blue foliage. In fall the color changes to an attractive reddish cast.	.25	.75	2.75
3" pot	.45			
JUNIPERUS virginiana cypressifolia Hillspire Juniper (2)	Dark green whipeord foliage, grows in compact pyramidal form.	.75	2.75	
JUNIPERUS virginiana cypressifolia glauca (2)	Columnar upright growth with blue-green heavy foliage.	.75	2.75	
JUNIPERUS virginiana glauca. Silver Red Cedar (2)	One of the few conifers that grows anywhere. Pyramidal form, silvery-blue foliage.	.75	2.75	

MONROVIA NURSERY COMPANY.....Azusa, California

2½" Pot 1-Gal. 5-Gal.

JUNIPERUS virginiana hilli. Dundee Juniper (2)				2.75
Choice upright columnar juniper. Attractive gray-green foliage in the summer turning a plum color in the winter.				
JUNIPERUS virginiana Manhattan Blue (4)				2.75
Compact, pyramidal juniper with dark blue-green foliage.				
LIBOCEDRUS decurrens. Incense Cedar (5)	.18	.60	2.00	
Tall, compact, pyramid of deep green. Very symmetrical. Grows easily. A native of California.				3 pts.
PINUS attenuata. Knob-Cone Pine (7)	.18	.60	2.25	
Picturesque tree of medium height with grayish foliage. Invaluable for hot dry locations.				
PINUS canariensis. Canary Island Pine (7)	.18	.60	2.25	
Tall, slender pine tree making rapid growth. Long needles in large tufts make this a fine specimen. New growth silvery blue.				
PINUS halepensis. Aleppo Pine (7)	.18	.60	2.25	
A fast growing pine recommended for dry locations. Needles bright green.				
PINUS mugo mughus. Swiss Mt. Pine (2)	.20			
A popular dwarf growing, many stemmed variety of an attractive shade of green. This is a variety of the Swiss Mountain Pine.				
3" pot .35				
PINUS nigra. Austrian Pine (4)	.18			
Broadly pyramidal growing pine, with deep, rich green needles.				3 pts.
PINUS pinea. Italian Stone Pine (7)	.18	.60	2.25	
Tall growing tree with long, spreading branches; forming in older trees a broad, flat-topped head. A tree of picturesque habit.				
PINUS radiata. Monterey Pine (7)	.18	.60	2.25	
Fast growing pine for quick effects. Very bushy when young. Bright green needles. Makes a medium size tree when older.				
PINUS thunbergi. Japanese Black Pine (4)	.18			
Picturesque pine with broad pyramidal type of growth. Showy blackish gray bark and sharp bright green needles.				
SEQUOIA gigantea. Giant Redwood (6)	.25			
The "Big Tree" of the Sierras. Attractive, neat-looking blue-green foliage, forming a perfect cone as it grows. Grows slowly.				
3" pot .45				
SEQUOIA sempervirens. Coast Redwood (7)	.20	.60	2.50	
Tall, narrow evergreen tree producing a straight trunk with red-dish bark and narrow spreading, deep green foliage. Fast growing hardy conifer.				
THUJA occidentalis pyramidalis. American Pyramidal Arborvitae (2)	.18	.60	2.00	
Very valuable for landscaping. Extremely well adapted for colder areas. Compact formal outline.				
THUJA occidentalis Woodward Globe (2)	.18	.60		
Vigorous growing arborvitae forming a natural globe. Foliage a dark green and holds its color well through winter.				
2-gal. 1.75				

2¹/₄" Pot 1-Gal. 5-Gal.

THUJA orientalis aurea nana. Dwarf Golden Arborvitae,				
Berckman's Golden Arborvitae (5)		.20	.60	2.00
Most popular dwarf arborvitae. Slow growing, dense and shaped like a pointed globe. Fern-like branchlets bright golden yellow all year around.				
3" pot .35 2-gal. 1.50				
THUJA orientalis bakeri. Baker's Arborvitae (5)		.18	.60	2.00
A compact growing pyramidal arborvitae. Foliage has a light green color. Very good as a taller accent conifer.				
3" pot .35				
THUJA orientalis beverlyensis. Beverly Hills Arborvitae (5)		.20	.60	2.00
Slender growing conifer, golden yellow foliage, on new growth.				
3" pot .35 2-gal. 1.50				
THUJA orientalis Blue Cone (5)		.18	.60	2.00
Upright, pyramidal thuja with especially compact foliage having a blue cast that harmonizes well with other foliage.				
3" pot .35				
THUJA orientalis compacta. Compact Arborvitae (5)		.18	.60	2.00
Compact, globe-shaped conifer with bright green dense foliage.				
THUJA orientalis elegantissima (5)		.18	.60	2.00
Very bushy and wide at the base, narrowing sharply to the top. Bronzy golden green during summer and holds its color especially well during winter.				
3" pot .35

SOUTHERN INDICA AZALEAS (9)

Sun Azaleas

1-gal. .75 each

5-gal. 2.75 each

Sun growing Azaleas given proper growing conditions, produce a mass of early spring color that brightens up any planting after the drabness of winter. Southern Indica Azaleas grow well planted in full sun; however, they should not be planted where they will get reflected heat. Order these MN varieties today as they are the most popular and most satisfactory.

Azalea Christmas Rose (Plant Pat. No. 1212)

MN'S AZALEA CHRISTMAS ROSE is truly outstanding. Outstanding as a forcing azalea for Christmas blooms. Long, perfect rose shaped buds, opening into large very double flowers, bright rose-red in the center with deeper rose-red edging. Blooms stay on the plant for many days; do not shake off. Foliage is exceptionally large.

We know this new azalea will be a "top seller" for you.

Minimum 10 plants of one variety—Maximum 50% of one variety

In the 50 Plant Package the Cost of Each Plant is 90c

In the 100 Plant Package the Cost of Each Plant is 85c

Each plant in this package is tagged with a "life-size" Picture Bloom. Plants will be selected for quality entirely. We do not promise buds.

CAMELLIA PICTURE BLOOMS Give You Year 'Round Sales and Fast Turnover

Your camellias don't have to be blooming to be fast sellers! Free MN artificial blooms (so realistic many customers think they're real at first glance) make them sell 12 months of the year. They make instant plant identification easy, too. They're in full color, water-resistant, fadeproof, last for six months or more! Each plant you purchase from the varieties marked with "*" will carry one of the picture blooms on 1, 5 and 7 gallon plants.

MONROVIA NURSERY COMPANY.....Azusa, California

***Tagged with Picture Blooms.**

***ADOLPHE AUDUSSON**

Very large, semi-double, dark red, occasional flowers appear that are spotted white. Blooms midseason.

***ALBA PLENA**

Large, formal double, white flowers with imbricated petals. Medium sized shrub. Blooms early.

BELLA ROMANA

Rose-form, light pink profusely striped double flowers splashed with carmine. Vigorous grower. Blooms midseason.

***BLOOD OF CHINA**

Large semi-double with deep salmon-red petals. Vigorous, upright grower. Blooms late.

BUDDHA. See picture and description, page 17

***C. M. WILSON**

Light pink anemone form, spreading type of growth. Sport of Chandleri Elegans. Blooms midseason.

***CHANDLERI ELEGANS VARIEGATED**

Large anemone form rose-pink mottled with white, medium rate of growth. Blooms midseason.

CINDERELLA (Patent No. 1281)

Large semi-double flowers, bright rose-pink in the center with a velvety white edging. Blooms midseason.

***COLONEL FIREY**

Large formal flowers dark red in color lightened toward center. Compact upright grower. Blooms midseason to late.

***COVINA**

Semi-double rose-form, vigorous bushy growth, rose-red flowers. Blooms midseason to late.

***DAIKAGURA VARIEGATED (Kiyosu)**

Large peony type rose-red splotched with white. Slow compact upright growth, dull green foliage. Blooms very early.

***DEBUTANTE (SARA C. HASTIE)**

Large, light pink tightly formed peony type. Very vigorous grower, heavily serrated, light green foliage. Early bloomer.

ELEANOR HAGOOD

Medium to large formal, pale pink flowers. Vigorous upright growth. Blooms late.

***EMPEROR WILHELM (Gigantea) (Magnolia King)**

Huge, semi-double to peony form. Rich red flowers marbled with white. Vigorous upright loose growth. Blooms midseason.

***ENGLISH DONCKELARI**

Very large semi-double red marbled white in varying degrees. Slow bushy growth. Blooms midseason.

FRANK GIBSON

Large anemone form white with creamy white petaloids and golden stamens. Blooms midseason.

GENERAL DWIGHT EISENHOWER

Large, full peony to anemone form deep-red. Upright, compact and vigorous grower. Shiny dark green leaves. Blooms midseason.

GENERAL GEORGE PATTON

Bright pink, large double rose-form. Vigorous upright, open growth. Midseason to late.

***GLEN 40**

A beautiful deep red, very large formal to rose-form double with imbricated petals, slow upright grower. Blooms midseason to late.

CAMELLIA
***ROSEDALE'S BEAUTY** (Trade Mark Reg.)

This Classic Camellia lends beauty to any landscape the entire year. Its great demand by Camellia lovers everywhere is due to many outstanding characteristics. Among these are its greater ability to endure extreme weather conditions, its large deep green leaves, handsomest of all Camellias, its vigorous growth and compact form, and its profusion of big double red blooms during February, March and April. Must be sold with trade marked tags attached.

RETICULATA CAMELLIA
BUDDHA (Plant Pat. No. 1215)

Winner of the 1957 All-America Camellia Selections, this strikingly new reticulata Camellia will be greatly in demand. Very large, semi-double, rose-pink flowers with erect wavy petals. Buddha is a good upright grower and is the most compact growing of all reticulatas. Blooms midseason to late. Release date — September 1st, 1957. Must be sold with patent tags attached.

1-Gal. 3.50 2-Gal. 5.00 5-Gal. 7.50

GLEN 40 VARIEGATED

Deep red blotched with white, large formal to rose-form. Slow compact upright growth. Midseason to late.

***GRANDIFLORA ROSEA**

The largest, semi-double deep pink. Vigorous, bushy growth, with shining pointed dark green foliage. Blooms midseason.

H.E.R. COLLECTION

Mixed varieties only. Plants in this collection are all from fine types, no seedlings. Not labeled.

***HIGH HAT**

Large, peony-form blossoms of a soft, shell-pink. A slow, compact, upright grower with dull green foliage. Blooms early to midseason.

***JORDAN'S PRIDE (HERME)**

A striking, light pink with an irregular white margin and streaked with deep pink, double peony type, fragrant blossoms. Blooms midseason.

JOSHUA YOUTZ (WHITE DAIKAGURA)

Large peony to formal, double white flowers. Slow compact growth. Blooms early.

***KUMASAKA (LADY MARIAN)**

Double peony flowers of a bright rose-pink with slightly darker shades along the veins of the petals. Midseason to late.

***LAUREL LEAF (LALLAROOK)**

Full double, with imbricated, large, pale pink flowers, softly marbled with white. Slow and compact in growth. Midseason to late.

***MAGNOLIAEFLORA (SOUTHERN)**

Medium large semi-double blush pink. Compact upright growth. Blooms midseason.

***MARGARETE HERTRICH**

Vigorous, upright compact grower and produces large formal double white flowers during midseason.

MARGARET JACK (FINDLANDIA VARIEG.)

Large fluted semi-double white streaked with crimson. Blooms early to midseason.

***MATHOTIANA (JULIA DRAYTON) (PURPLE DAWN)**

Bright scarlet, double, rose-form flowers with unusually large textured and veined petals. Vigorous compact growth. Blooms midseason.

***MONJISU (CALIFORNIA DONCKELARI VAR.)**

Semi-double, cherry-red flowers marbled with white. Very bushy growth. Young plants bud heavily. Blooms midseason.

***MRS. CHARLES COBB**

Large, dark red semi-double to loose peony-form. A fast upright, spreading, symmetrical grower with light green, glossy foliage. Blooms midseason.

MRS. HOWARD ASPER (HANA-FUKI)

Soft pink, large single to semi-double. Medium rate of growth. Blooms midseason.

***MRS. TINGLEY**

Large formal, double salmon-silver pink. Very compact growth, lush green foliage. Blooms midseason.

***NAGASAKI (LADY AUDREY BULLER)**

Very large, semi-double, rose-pink marbled white with large ruffled petals. Slow spreading growth, with an abundance of dark green foliage. Blooms midseason.

PEARL MAXWELL

Large formal double flower of soft shell-pink. Vigorous compact growth. Midseason to late.

***PINK PERFECTION (FRAU MINNA SEIDEL)**

Medium, formal double flowers of soft shell-pink. Petals imbricated. Vigorous shrub with erect growth and rounded glossy leaves. Blooms early to midseason.

***POPE PIUS IX (IMBRICATA RUBRA PLENA)**

Large, formal double, red flowers with imbricated petals. Upright compact growth. One of the finest reds. Blooms midseason.

PROF. C. S. SARGENT

Medium sized, dark red, full peony type flower with ball of incurved petals edged with a frill of broader petals. Midseason.

***PURITY (NEIGE d'OREE)**

Large pure white formal flower. Vigorous grower and one of the finest whites.
Blooms midseason to late.

ROSEDALE'S BEAUTY (Trade Mark Reg.) See picture and description page 16.*ROSE DAWN (DAVIS ROSE DAWN)**

A pleasing deep rose-pink flower, formal to rose form. Vigorous, spreading growth.
Blooms midseason.

SNOW WHITE

Outstanding new large, formal white Camellia. Lustrous deep green foliage and vigorous, bushy upright growth combined with the "eye-catching" white blooms will make this Camellia a "top-seller" for you. Blooms midseason to late.

GENERAL ORNAMENTALS

	2 1/4" Pot	1-Gal.	5-Gal.
ABELIA Edward Goucher. Pink Abelia (5)	.15	.50	1.85
Versatile shrub with shiny, deep green leaves, tinted with an amber hue. The dainty, clear pink flowers are produced all summer.			
ABELIA grandiflora. White Abelia (5)	.15	.50	1.85
A very hardy shrub of medium size with small shiny, deep green leaves. White flowers are borne most of the summer.			
ABELIA grandiflora prostrata (Patent No. 1431).			
Prostrate White Abelia (6)	.30	.65	-----
This low growing horizontal type shrub fits right in with modern landscaping ideas. It's perfect for ground covers and bank plantings. Even in this beautiful new form it retains the graceful arching branches, attractive white summer flowers, deep green glossy leaves and hardiness of traditionally popular Abelia grandiflora. Must be sold with patent tags attached. See picture page 21.			
ACACIA baileyana. Fern Leaf Acacia (9)	.15	.50	2.00
Medium-sized evergreen tree with a round head of blue-green fern-like foliage and masses of fluffy yellow flowers in late winter and spring.			
ACACIA cyanophylla. Blue Wattle (9)	.15	.50	2.00
Evergreen tree to 30'. Produces masses of little golden ball-like flowers; has long narrow light bluish leaves.			
5-gal. bush-type	1.85		
ACACIA longifolia floribunda. Everblooming Acacia (9)	.15	.50	2.00
Small round headed evergreen tree with bright yellow fluffy flowers, appearing most of the year.			
ACACIA latifolia. Bush Acacia (9)	.15	.50	1.85
A small evergreen tree or large bush with long green leaves, produces masses of yellow flowers in spring.			
ACACIA melanoxylon. Blackwood Acacia (9)	.15	.50	2.00
Fast growing, evergreen tree that produces a dense head of dark foliage, brightened in the spring with creamy-yellow flowers.			
ACACIA podalyriæfolia. Pearl Acacia (9)	.20	.60	2.25
Beautiful small evergreen tree with roundish oval, silver-gray leaves and rich yellow flowers in long clusters.

5 in 5-gallon containers

A New Spreading Abelia
Abelia grandiflora prostrata

PLANT PATENT NO. 1431

THE traditional loveliness of *Abelia grandiflora* in a new, versatile spreading form for landscaping! Ground covers, bank plantings and low groupings are excellent uses for its striking beauty. Its spreading branches wear shiny, intensely green leaves and new growth has a delightful red tinge. Delicate white flowers decorate the shrub for the greater part of the summer appearing like a city lighted at night. It is a healthy, vigorous grower that endures a wide range of temperatures. See description page 20.

2 $\frac{1}{4}$ " pot30 1-gal.65

MONROVIA NURSERY COMPANY.....Azusa, California

2 1/4" Pot 1-Gal. 5-Gal.

ACANTHUS mollis. Grecian Pattern Plant (5)	.18	.50	1.85
Handsome, evergreen shrub with large, glossy black-green leaves. Excellent for tropical effect. Prefers shade.			
ACER macrophyllum (5)	.20	.60	2.50
Handsome large round-headed deciduous tree with very large 3-lobed leaves. Pale green underneath.			
ACER palmatum. Dwarf Japanese Maple (5)	.18	.60	2.50
A small deciduous tree that grows slowly and gracefully. The leaves turn a rich shade of red in the fall.			
ACER palmatum atropurpurea. Blood-Leaf Dwarf Japanese Maple (5)	1.25		
Similar to Acer palmatum in growth but the leaves are deep red all year and become blood-red in the fall.			
ACER paxi. Evergreen Maple (9)	18	.60	2.00
Small evergreen tree with shiny bright green leaves. Recently introduced from the Orient.			
ACROCARPUS fraxinifolius. Pink Cedar (9)	.25	.75	2.50
A medium sized quick growing deciduous tree with handsome delicate leaves.			
AGAPANTHUS africanus (A. umbellatus).			
Blue Lily of the Nile (9)	.18	.50	
A hardy perennial with deep blue flowers on rounded heads, raised high above the lush mass of strap-shaped leaves.			
ALBIZZIA julibrissin. Silk Tree. Mimosa Tree (6)	.18	.50	2.00
A small deciduous tree with light green feathery foliage which produces quantities of pink flowers in silken bundles in summer.			
ALNUS cordata. Italian Alder (5)	.18	.50	2.00
A strong, fast growing medium sized symmetrical tree. Deciduous.			
ALNUS glutinosa. Black Alder (5)	.18	.50	2.00
Large, fast growing deciduous tree with multiple trunks. Deep green rounded leaves.			
ALNUS japonica. Japanese Alder (5)	.20	.50	2.00
A deciduous tree with attractive narrow shiny green wedge- shaped leaves. Fast vigorous grower.			
ALNUS rhombifolia (A. Californica). White Alder (7)	.18	.50	2.00
Deciduous tall growing shapely tree with dense rich green leaves.			
ALOE arborescens (9)	.15		
Cactus-like shrub growing to a medium height. Leaves are dull green and have long white prickles. Excellent plant for use in modern landscaping.			
3" pot 30			
ALSOPHILA australis. Australian Tree Fern (10)	.25	1.00	3.50
Beautiful slender graceful stems and spreading light green fronds. Grows best in light shade.			
3" pot .45			
ALTHAEA. Rose of Sharon (5)			
Popular deciduous shrub of the hibiscus family producing an ar- ray of color during the summer months. Lush green foliage.			
ALTHAEA alba—White	.18	.50	
ALTHAEA coelistis—Deep Blue	.18	.50	
ALTHAEA Collie Mullens—Lavender	.18	.50

AMPELOPSIS quinquefolia. Virginia Creeper (4)	.18			
Excellent deciduous vine for colder climates. Clings to masonry.				
AMPELOPSIS veitchi (Parthenocissus tricuspidata). Boston Ivy (4)	.18		.50
Deciduous, close clinging vine, with green foliage, changing to a bright vivid color in the fall.				
AMYGDALUS alba nana. Dwarf Flowering Almond (2)	.18		
Deciduous shrub 3 to 4 feet high that produces masses of dainty double pure white flowers.				
AMYGDALUS rosea nana. Dwarf Pink Flowering Almond (2)	.18		
Similar to white almond except produces masses of dainty pink blossoms in spring.				
ANISACANTHUS thurberi (8)	.18		.50
Low growing compact evergreen shrub with deep green foliage that produces clusters of bright orange tubular flowers freely.				
ANTIGONON leptopus. Coral Vine. Queen's Wreath (8)	.18		.50
Rapid climbing vine, produces bright pink flowers freely. Fast grower. Deciduous.				
ARALIA chinensis (9)	.20	.60	2.50	
Exotic tropical appearing shrub with light green leaves with tints of red on margins and leaf veins. Spines on leaves and stems.				
ARALIA elegantissima (Dizygotheca elegantissima) (9)	.95		3.50	
Exotic evergreen shrub with dull, deep green serrated leaves. 3" pot .50				
ARALIA papyrifera (Tetrapanax papyrifera) (9)	.22	.60	2.25	
A shrub or small tree with large evergreen tropical leaves. Produces masses of light yellow blossoms in fall.				
ARALIA sieboldi (Fatsia Japonica) (8)	.15	.50	1.85	
Dwarf growing, shade loving evergreen shrub with glossy dark green leaves.				
1-gal. (2 or 3 plants in container) .60				
ARBUTUS unedo. Strawberry Tree (7)	.18	.50	1.85	
Hardy evergreen shrub growing 8 to 10 feet. Produces white bell shaped flowers in spring followed by red strawberry-like fruit.				
ARBUTUS unedo compacta. Compact Strawberry Tree (7)	.25	.60	2.25	
The same beautiful amber tinted foliage as the common arbutus, but it is a more compact small growing shrub that produces the strawberry-like fruit at an earlier age.				
ARDISIA japonica (6)	.20	.60		
Popular small growing evergreen shrub with bright red berries in fall and winter. Has leathery, deep green leaves.				
ARTHROPODIUM cirratum. Rock Lily (9)	.75			
Handsome plant with dark shining bold foliage. Growing to approximately 3 feet in height, this shrub does best in a moist shady location.				

MONROVIA NURSERY COMPANY.....Azusa, California

		2 1/4" Pot	1-Gal.	5-Gal.
ASPARAGUS plumosus. Asparagus Fern (9)		.20	.60	
Small evergreen vine with dainty fern-like foliage. Ideal for shade.				
ASPARAGUS sprengeri (9)		.20	.60	
Semi-evergreen vine, small leaves on long arching branches making a fluffy mound of green foliage.				
ASPIDIUM tsus-sinense (9)		.20		
Showy tight-growing fern with deep green fronds. Very attractive.				
ASTER frikartii. Wonder of Stafa (5)		.20	.50	
Perennial plant which produces violet-blue flowers during summer months, full sun or part shade.				
ASTER frikartii jungfrau (5)		.20	.50	
Low growing perennial covered with a mass of blue-lavender flowers in summer.				
AUCUBA japonica crotonifolia (7)			.75	2.75
Compact growing Aucuba that is prized for the showy, heavy variegation on the leaves. Foliage is larger than Aucuba Japonica Variegated.				
AUCUBA japonica dwarf female (7)			.75	2.75
Very showy dwarf growing Aucuba with large, solid, dark green leaves. Produces bright red berries.				
AUCUBA japonica nana (7)			.75	2.75
Dwarf growing shrub with large dark green leaves. Excellent for planter boxes.				
AUCUBA japonica serratifolia (7)			.75	2.75
This Aucuba is outstanding for its long, dark green leaves with wavy-toothed edges. Large bright red berries.				
AUCUBA japonica variegata. Gold Dust Plant (7)		.20	.60	2.25
Small compact evergreen shrub with large glossy leaves splashed with gold. Shade loving.				
AUCUBA japonica variegata (Female Plants) (7)		.25	.75	2.50
These plants produce large red berries.				
AUCUBA japonica variegata (Male Plants) (7)		.25	.75	2.50
Since Aucubas are dioecious, these plants are necessary to insure berries.				
BAMBUSA Chinese Goddess (7)			.75	2.50
Similar to Golden Goddess but grows only to approximately 6 feet. This solid cane bamboo is ideal for hedge plantings.				
BAMBUSA Golden Goddess (7)			.75	2.50
Small growing picturesque plant with slender yellow canes and feathery golden green foliage.				
BAMBUSA sasa pygmaea (Sasa pygmaea). Dwarf Bamboo (7)			.75	
Dwarf growing bamboo that accents any planting with its golden feathery foliage.				
BAMBURANTA (10)			.75	2.50
Tropical shrub combining the Maranta leaves and Bamboo habit of growth.				
3" pot .40				
BAUHINIA corymbosa (9)			.60	
Woody climber branching from the ground, opposite tendrils. Flowers are rose in color with fluted petals.				

MONROVIA NURSERY COMPANY.....Azusa, California

		2½" Pot	1-Gal.	5-Gal.
BAUHINIA purpurea. Orchid Tree (10)		.18	.50	2.25
Desirable small evergreen tree producing a profusion of orchid-like flowers in the spring.				
BEAUMONTIA grandiflora. Easterlily Vine (10)			.75	2.50
A fast growing evergreen vine with beautiful large dark green leaves and fragrant showy trumpet-shaped white flowers. Cuttings.				
BELOPERONE tomentosa. Shrimp Plant (10)		.15	.50	
Dwarf everblooming evergreen shrub making a mass of shrimp-like flowers.				
BERBERIS Crimson Pigmy (5)			.75	
Dwarf shrub 8 to 10", with oxblood red foliage. Excellent for hedges or small borders; does best in full sun.				
2-gal. 1.50				
BERBERIS juliana. Wintergreen Barberry (5)		.20	.60	1.85
A holly-like evergreen shrub with leathery dark green spiny toothed foliage. Very attractive.

BERBERIS mentorensis. Mentor Barberry (4)		.20	.50	1.85
Vigorous upright grower having large thick deep green leaves.				
2-gal. 1.50				
BERBERIS sargentiana (5)		.20	.60	1.85
Evergreen shrub of medium height with densely clothed handsome dark green leaves and round dark fruit.				
2-gal. 1.50				
BERBERIS thunbergi. Japanese Barberry (3)		.15	.50	
Compact growing deciduous shrub with dense dark green foliage and bright red winter berries.				
BERBERIS thunbergi atropurpurea.				
Red Leaf Japanese Barberry (3)		.15	.50	
Same as thunbergi except the foliage is bronzy-red all summer becoming a deep amber-red in the fall.				
2-gal. 1.50				
BERBERIS triacanthophora (5)				
Graceful shrub with long spreading branches. The narrow leaves are a bright green on top, whitish beneath. Resistant to stem rust.				
2-gal. 1.75				
BERBERIS verruculosa (5)			.60	2.50
Spreading evergreen shrub with cylinder-like branches and many slender spines. Dark green spiny toothed leaves.				
2-gal. 1.75				
BETULA alba. European White Birch (2)		.15	.50	
Graceful growing tree having white flaky bark. Deciduous.				
BIGNONIA chamberlaini. Yellow Trumpet Vine (7)		.18	.50	2.00
A beautiful evergreen vine with clusters of showy yellow-orange trumpet-shaped flowers.				
BIGNONIA cherere. Scarlet Trumpet Vine (10)		.22	.60	2.00
An evergreen vine that makes a heavy cover and produces large trumpet-shaped flowers, bright red with a yellow tube.				
BIGNONIA tweediana. Catclaw Yellow Trumpet (6)		.15	.50	2.00
Hardy deciduous vine with slender shoots that cling to any surface. Flowers are bright yellow.				

MONROVIA NURSERY COMPANY.....Azusa, California

		2½" Pot	1-Gal.	5-Gal.
BIGNONIA venusta. Flame Vine (10)	Brilliant trumpet-shaped golden-orange flowers hang in great masses during the winter months on this evergreen vine.	.20	.60	2.00
BIGNONIA violacea. Lavender Trumpet Vine (9)	Delightful evergreen vine for sun or shade. Light lavender gloxinia-like flowers are borne in spring and summer.	.20	.50	2.00
BORONIA elatior (9)	Native Australian evergreen shrub growing to about 4 feet. Showy, small dark green leaves provide a dense background for the fragrant rose-red flowers.	.20	.60	
BOUGAINVILLEA Barbara Karst (10)	Large brilliant red flower-bracts are borne almost continually. Plants bloom at an early age.	.20	.60	2.00
BOUGAINVILLEA Betty Hendry (10)	Tints of red, yellow and purple combined, make this bougainvillea a show of beautiful color all through the summer months.	.20	.60	2.00
BOUGAINVILLEA brasiliensis (B. spectabilis) (10)	An indescribable sight with its clusters of purple flower-bracts.	.20	.60	2.00
BOUGAINVILLEA California Gold (10)	As its name suggests, rich golden bracts are borne profusely for many months in the year.	.25	.75	2.50
BOUGAINVILLEA Convent (10)	Enormous purple bracts are produced many months of the year.	.25	.75	2.50
BOUGAINVILLEA Orange King (10)	Bronzy-gold flower-bracts are produced on graceful sprays of this very vigorous Bougainvillea.	.20	.60	2.00
BOUGAINVILLEA Scarlett O'Hara (B. San Diego) (10)	This fast growing Bougainvillea creates a blaze of color with its bright red flower-bracts on pendulous sprays.	.20	.60	2.00
5-gal. tree-type	3.50			
BOUGAINVILLEA Temple Fire. Red Bush Bougainvillea (10)	For the first time, traditional bougainvillea beauty in compact, uniform bush form. Makes a striking hedge. Covered constantly with deep red flower bracts in warm weather. Excellent as tub specimens.	.20	.60	2.00
BOUGAINVILLEA Texas Dawn (Trade Mark Reg.) (10)	The exotic, almost indescribable color of this sensational bougainvillea wins quick approval and sales from garden lovers. Only the delicate pink of the Texas dawn sky can begin to describe the myriad, gracefully formed Tyrian Rose bracts which the vine suspends from long, arching sprays. Texas Dawn grows rapidly and maintains its symmetry and vigor with the very minimum of care. Must be sold with T.M.R. Tags attached. See picture page 28.	.25	.65	2.00
BOUVARDIA albatross (10)	Low growing evergreen shrub. The snowy-white flowers are sweetly fragrant.	.20	.60	
BOUVARDIA Fire Chief (10)	This low growing evergreen shrub has clusters of bright red tubular flowers which bloom most of the year.	.20	.60	
BRUNFELSIA calycina floribunda.

BUXUS harlandi (5)

2½" Pot 1-Gal. 5-Gal.

Evergreen shrub that is neat and compact in growth. Endures more cold than Buxus japonica and foliage is a darker green.

BUXUS microphylla japonica. Japanese Boxwood (7)			.45	-----
---	--	--	-----	-------

Close growing shrub having small bright green leaves. Ideal for use in hedges.

5-gal. Globe	2.25	5-gal. Pyramid	2.25	
---------------------	-------------	-----------------------	-------------	--

BUXUS microphylla rotundifolia (8)			.15	.50	-----
---	--	--	-----	-----	-------

Similar to Buxus japonica but with larger and deeper green leaves; also more vigorous and erect.

BUXUS sempervirens. English Boxwood (5)			.18	.60	-----
--	--	--	-----	-----	-------

Small growing compact evergreen shrub. Splendid for small hedges and borders.

BUXUS sempervirens croni (4)			.18	.60	-----
-------------------------------------	--	--	-----	-----	-------

Hardy, boxwood from Canada. Interesting medium green rounded leaves. This boxwood grows slower than most other varieties.

BUXUS suffruticosa. Dwarf Boxwood (5)			.20		-----
--	--	--	-----	--	-------

Very attractive boxwood with very dense foliage, the leaves are small and deep green. Very compact.

CALADIUM esculentum (Colocasia esculenta). Elephant Ear (9)			.60	1.85	-----
--	--	--	-----	------	-------

A tuberous plant with large, bright green leaves. Prefers rich soil and partial shade.

BOUGAINVILLEA TEXAS DAWN
(TRADE MARK REG.)

For Description see page 26

MONROVIA NURSERY COMPANY Azusa, California

2½" Pot 1-Gal. 5-Gal.

CALLA Hercules (10)

Improved form of the common calla lily. The bright white flowers are much larger.

CALLIANDRA guildingi. Trinidad Flame Bush (10) .20 .60 1.85

Evergreen shrub with semi-lacy foliage, attractive, scarlet fluffy ball-shaped flowers which appear in summer.

CALLIANDRA inequilatera. Pink Powder Puff (10)

Very desirable tropical shrub for unusual accent planting. Bright pink stamens, shaped like huge powder puffs, contrast with graceful, feathery foliage of fine texture.

3" pot	.40	1-gal.	.75	5-gal.	2.50
5-gal. espalier	5.00				

CALLISTEMON lanceolatus Improved.

Red Bottle Brush (8) .20 .50 1.85

Hardy, sun-loving, drought resistant, evergreen shrub. Produces masses of bright red flowers. See picture page 32.

2-gal. 1.50 5-gal. espalier 5.00

I pt. each

CALLISTEMON linearis pumila (6)

Very showy dwarf growing bottlebrush, producing large red flowers. This callistemon is very hardy, and is ideal for bank plantings.

CALLISTEMON phoeniceus prostrata (8)

Low growing bottlebrush with long narrow lanceolate leaves. Flowers are a deep rich-red. Excellent for bank plantings in hot dry locations.

CALLISTEMON pinifolius (8)

Medium sized shrub bearing yellow flowers during the summer months. Very fine species with foliage similar to lanceolatus.

CALLISTEMON viminalis. Weeping Bottle Bush (8)

Tall slender shrub or small tree with slender, semi-weeping branches. Cascades of bright scarlet bottlebrush blooms.

CALLISTEMON violacea (8)

Tall, dense growing shrub with violet flower spikes. Wonderful for tall hedge plantings.

CALODENDRUM capensis. Cape Chestnut Tree (9)

Medium-sized stately evergreen tree, producing rose-lavender flowers in early summer.

CAMPHORA officinalis (Cinnamomum camphora) (8)

Evergreen tree with light green foliage becomes colorful with the bronzy-red new growth. Dark gray to black trunk.

CAMPsis Golden Trumpet (5)

Large trumpet-shaped flowers of brilliant golden-yellow are produced in great clusters in the spring and summer.

CARISSA grandiflora. Natal Plum (10)

Lush evergreen ornamental shrub of neat growing habit almost continuously sprinkled with its waxy, white flowers.

CARISSA grandiflora green carpet (10)

Wonderful dense, spreading growth habit of this carissa, makes it exceptionally good for ground cover plantings. Lush, deep green foliage.

CARISSA grandiflora tuttlei (10)

Superior compact shrub with a very dense spreading growth of rich green.

----------------	------------	---------------	------------	---------------	-------------

2½" Pot	1-Gal.	5-Gal.
----------------	---------------	---------------

CASSIA artemisioides. Feathery Cassia (9) .18 .50 1.85

Small shrub with feathery, silvery-gray foliage and bright yellow fragrant flowers. Good for dry sunny places.

CASTANOSPERMUM australe. Morton Bay Chestnut (8) 1.00 2.50

Tall evergreen tree with light green leaves. Flowers range in color from yellow to red. Produces edible nuts.

CATHA edulis (9) .25 .60

An evergreen shrub of moderate height with showy leaves having dull undertones of red and purple. Used for centuries as a beverage for its recuperative effects.

CEANOTHUS gloriosus (9) .25

A low growing evergreen shrub with thick leathery leaves producing bright blue flowers in the spring.

CEANOTHUS griseus horizontalis. Carmel Creeper (4) .25

A low growing evergreen shrub with huge thick leathery leaves producing bright blue flowers in the spring.

CEANOTHUS Mountain Haze. California Lilac (9) .20 .60 2.00

New hybrid exceedingly versatile and capable of standing dry weather and poor soil conditions. Produces masses of blue flowers.

CEANOTHUS purpureus. Holly Leaf Ceanothus (9) .25

Medium upright shrub which produces deep dark blue flowers. Deep leathery green leaves. Evergreen.

CEANOTHUS Sierra Blue. California Lilac (9) .20 .60 2.00

Produces brilliant blue flowers and real deep green foliage.

CEANOTHUS thrysiflorus repens. Creeping Blue-Blossom (7) .25

Broad spreading, creeping variety with deep blue flowers. One of the best of the harder creeping lilacs. Grows well in part shade. Excellent for coastal regions.

CENTAUREA cineraria. Dusty Miller (7) .50

Low growing, silvery-gray foliage. Bright yellow flowers. Excellent for borders and low hedges.

CERATONIA siliqua. Carob. St. John's Bread Tree (8) .20 .60 2.25

An excellent evergreen tree of medium size. The round head of deep green foliage makes dense shade.

CERATOSTIGMA larpentiae (C. plumbaginoides) (7) .18 .50

Low growing shrub with creeping habit of growth. For semi-shade or sun. Covers itself with rich blue flowers.

CERATOSTIGMA willmottianum. Dwarf Chinese Plumbago (7) .18 .50

Low growing shrub with clusters of intensely blue flowers produced most of the year.

CESTRUM parqui. Night Scented Jasmine (10) .15 .50

Dense growing shrub with light green foliage. Insignificant, light yellow flowers. Strikingly fragrant at night.

MONROVIA NURSERY COMPANY.....Azusa, California

2½" Pot 1-Gal. 5-Gal.

CHAMADOREA elegans. Neanthebella Palm (9)	.18	1.00	
A beautiful dwarf palm so useful for indoor plantings or for creating tropical effects.			
3" pot .30			
CHAMALEAUCIUM ciliatum. Geraldton Wax Flower (10)	.20	.60	1.85
Medium to large evergreen shrub with heather-like foliage and showy sprays of waxy, rose colored flowers.			
CHIMONANTHUS praecox grandiflora. Wintersweet (8)	.18		
Very desirable for flowers produced during the winter. Flowers resemble small magnolia blooms. Intensely fragrant.			
CHIONANTHUS retusus. Fringe Tree (5)	.60		
Shrub or small tree to 20 feet with dark foliage and showy white flowers in early summer. Prefers sun.			
CHIONANTHUS virginicus (4)	.60		
Deciduous trees to 30'. Produces many small white flowers in 8" panicles in May and June.			
CHOISYA ternata. Mexican Mock Orange (7)	.20		
A very fine, hardy evergreen shrub with glossy green leaves and fragrant white flowers in showy clusters.			
CHORISIA speciosa. Floss-Silk Tree (9)			3.50
Showy South American evergreen tree having large light green leaves, and 5 inch bright pink lily-like flowers in late summer. Outstanding ornamental tree.			
CHORIZEMA varium. Flame Pea Shrub (9)	.18	.50	
Low growing, evergreen shrub with dark green smooth edged leaves and showy sprays of pea-shaped flowers in winter and spring.			
CIBOTIUM chamissoi. Hawaiian Tree Fern (10)	2.00	4.50	
Exotic tree fern that blends perfectly with modern tropical plantings. Requires shade and abundance of moisture.			
CISSUS capensis (Vitis capensis) (10)	.20	.50	2.00
Evergreen vine with deep green foliage, fast grower, covering large area.			
CISSUS hypoglauca (Vitis hypoglauca) (10)	.18	.50	2.00
Fast growing, evergreen vine. Glossy leaves of five leaflets four inches long. Sharp-toothed.			
CISSUS rhombifolia (Vitis rhombifolia) (10)	.20	.50	2.00
Glossy, rich green leaves of three leaflets set close along the twining stems. Grows well either in shade or sun.			
CISSUS voinieriana (Vitis voinieriana) (10)			2.50
One of the most exotic of evergreen vines. The large five-fingered leaves are thick and glossy.			
CISSUS vomeriensis (Vitis vomeriensis) (10)	.75	2.00	
Very similar to Cissus voinieriana except the underside of the leaves and stem are densely covered with copper colored hairs.			
3" pot .35			
CISTUS corbariensis (C. Hybridis). White Rock Rose (8)	.18	.50	1.85
Small, free-flowering evergreen shrub with soft ivory-white petals.			
CISTUS Doris Hibberson. Pink Rock Rose (7)	.20	.60	1.85
Attractive, compact, evergreen shrub with delicate, clear pink flowers. Adapted for sunny dry locations.			

CALLISTEMON LANCEOLATUS AND OSMANTHUS ILLICIFOLIUS VARIEG.

See Descriptions pages 29 and 61

MONROVIA NURSERY COMPANY.....Azusa, California

	2½" Pot	1-Gal.	5-Gal.
CISTUS ladaniferus maculatus. Brown Eyed Rock Rose (8)	.18	.50	1.85
Low, spreading, evergreen shrub with deep green narrow foliage and covered with large white flowers. For dry soil and sun.			
CISTUS purpureus. Orchid Rock Rose (8)	.20	.50	1.85
Compact evergreen shrub with neat habits of growth. Flowers are rose-purple with yellow base and maroon spots.			

ATTENTION!

Due to a state regulation we are not allowed to ship Citrus out of our local area—(Los Angeles and vicinity).

CITRUS Calamondin. Philippine Lime (9)	.20	.60	2.00
Dwarf shrub with light green, small leaves. Fragrant white flowers followed by round orange fruit. Excellent as tub specimens.			
CITRUS chinotto Orange (9)	.25	.75	2.50
Dwarf shrub with light green leaves producing fragrant white flowers followed by tasty oranges.			
CITRUS Eureka Lemon (9)	.60		2.50
One of the finest lemons grown. Tree begins to bear when young. Heaviest crop in summer. Excellent for patio use in tubs.			
CITRUS Meyer Lemon. Dwarf Lemon (9)	.20	.50	1.85
A medium-sized shrub with excellent foliage and fragrant flowers. Produces lemons almost the year 'round.			
5-gal. espalier 5.00			
CITRUS Pomeroy. Dwarf Citrus (9)	.15		
Seedlings that are used for root stock for dwarfing other varieties of citrus.			
CITRUS Rangpur Lime (9)	.20	.50	1.85
A splendid combination fruiting ornamental. Beautiful orange-red fruits. Dwarf.			
CITRUS Sellers Navel (9)	.60		2.50
Combined with shiny green foliage. Has fine flavor and juiciness. An excellent orange for home plantings.			
CITRUS Valencia Orange (9)	.60		2.50
Citrus with summer ripening fruits. Excellent fruiting ornamental.			
CLEMATIS armandi (9)			2.50
Handsome evergreen vine with large glossy green leaves, covered with showy waxy white, star like flowers. Slightly fragrant.			
CLEMATIS viticella (9)	.20		
Showy evergreen vine with long dark green leaves. Flowers are blue, purple, or rose-purple. Summer blooming.			
CLERODENDRON balfouri. Bleeding Heart. Glorybower (6)	.20	.60	
A twining evergreen shrub which produces crimson flowers most of the summer.			
CLERODENDRON bungei (C. foetidum). Cashmere Bouquet (9)	.20	.50	1.85
Dwarf spreading evergreen shrub. Deep green toothed leaves and fragrant clusters of rose-red ball-shaped flowers.			
CLETHRA arborea. Lily of the Valley Tree (10)	.20	.50	1.85
Large evergreen shrub or small tree for partial shade. Large leathery deep green leaves. Flowers in long panicles.			
1-gal. staked .60 5-gal. tree-type 2.00			

MONROVIA NURSERY COMPANY.....Azusa, California

2½" Pot 1-Gal. 5-Gal.

CNEORUM tricoccon. Spurge-Olive (8)	.20		
A small shrub producing deep yellow flowers and red berries.			
COCCULUS laurifolius (8)	.20	.60	1.85
The glistening, green leaves which are heavily veined and its graceful arching manner of growing makes this hardy evergreen shrub highly desirable.			
COLOCASIA esculenta	See CALADIUM		
CONVOLVULUS cneorum. Silver Bush Morning Glory (7)	.20	.50	
Dwarf compact evergreen shrub with soft silvery foliage. Masses of white flowers are produced thru late spring and summer.			
CONVOLVULUS mauritanicus (9)	.15	.50	
Trailing perennial with gray-green foliage covered with inch wide lavender-blue flowers all summer.			
COPROSMA baueri. Mirror Plant (10)	.15	.50	1.85
A medium-size shrub planted mostly for the extremely glossy deep green foliage.			
CORDYLINE australis. Dracaena australis (9)	.20	.75	
Similar to Dracaena indivisa except taller growing and the leaves are shorter and not as wide.			
CORDYLINE banksi purpurea (9)	.75	3.50	
Deep bronze in color with long narrow sword-like leaves.			
COREOPSIS nana (6)	.50		
Low growing perennial plant that is wonderful for border plantings. Bright orange daisy-like flowers cover the plants during summer and fall.			
COROKIA cotoneaster (7)	.20	.60	
Exciting plant with angular stems. Small pert gray leaves give it an oriental charm. Yellow star-like flowers in spring.			
CORREA magnifica (9)	.20	.60	
Similar to pulchella except growth is more erect and larger; also, foliage has an attractive bronzy tint, flowers are chartreuse color.			
CORREA pulchella (C. speciosa) (9)	.20	.60	
Compact growing shrub with a spreading habit of growth. Small gray-green leaves and wide, flaring pink flowers.			
CORTADERIA selloana (C. argentea). Pampas Grass (9)	.20	.60	2.00
A grass with heavily serrated leave blades. Produces handsome white plumes in fall especially suitable for warm dry climates.			
COTONEASTER adpressa praecox (5)	.20	.50	1.85
Vigorous grower with a semi-prostrate form of growth. Large leaves. Deciduous.			
COTONEASTER apiculata. Cranberry Cotoneaster (4)	.20	.50	1.85
Horizontal deciduous spreading shrub with pink flowers in spring followed by red berries retained well into winter.			
2-gal. 1.50			
COTONEASTER decora. Necklace Cotoneaster (5)	.20	.50	
Low spreading evergreen shrub with bright red berries appearing in the fall.			
COTONEASTER divaricata (5)	.18	.50	1.85
A hardy upright cotoneaster with glorious autumn coloring. Red berries are retained well into winter. Deciduous.			

MONROVIA NURSERY COMPANY.....Azusa, California

2½" Pot 1-Gal. 5-Gal.

COTONEASTER glaucophylla. Gray-leaved Cotoneaster (6)20 .60 1.85

A semi-evergreen medium to large shrub with small gray-green leaves on graceful arching branches. Produces red winter berries.

2-gal. 1.50

COTONEASTER horizontalis (C. davidiana).

Rock Cotoneaster (5)

.15 .50 1.85

Low spreading semi-evergreen shrub with small, round leaves, pinkish flowers in spring followed by bright red berries in fall.

COTONEASTER multiflora. Manyflowered Cotoneaster (5)20 .50 1.85

Strong, upright growing deciduous shrub of medium height. Very large red berries.

COTONEASTER pannosa. Silver Leaf Cotoneaster (6)18 .50 1.85

Semi-evergreen shrub with attractive silvery gray leaves. White flowers followed by bright red berries in fall and winter.

COTONEASTER parneyi. Red Clusterberry (7)15 .50 1.85

Large growing evergreen shrub with luxuriant deep green foliage the year 'round. Brilliant red berries.

2-gal. 1.50 5-gal. standard 4.50

COTONEASTER wardi (5)20 .50 -----

Distinctive orange berries among the orange-scarlet autumn foliage. Long arching branches to 10 feet.

COTONEASTER zabeli. Cherry Bush Cotoneaster (5)18 .50 -----

A popular shrub upright in growth. Pink flowers in spring and red berries in the fall. Deciduous.

CROTALARIA agatiflora. Canary Bird Bush (10)20 .60 1.85

Large sun loving evergreen shrub with light green foliage. Produces chartreuse flowers which resemble canary birds.

CUPANIA anacardioides (10)75 2.50

Evergreen tree to 40 feet with large leathery three lobed leaves. Produces white flowers.

CYDONIA japonica (Chaenomeles). Flowering Quince (4)

Small bushy deciduous shrubs with glossy dark green foliage. Masses of "one inch" apple blossom-like flowers completely clothe the branches in winter and early spring.

CYDONIA Charming. Rose pink20 .50 -----

CYDONIA japonica Minerva. Velvety red20 .50 1.85

CYDONIA japonica Texas Scarlet. Fiery scarlet20 .50 1.85

2-gal. 1.50

CYDONIA shell pink.20 .50 -----

CYPERUS diffusus (9)60 -----

A dwarf paper reed shrub, with showy umbrella-like heads.

CYPERUS papyrus. Egyptian Paper-Reed (9)18 .50 -----

Three-cornered dark green stems with a tasseled head of feathery foliage. Prefers abundance of moisture. Stately plant for ponds, growing in shallow water.

CYRTOMIUM falcatum. Holly Fern (8)75 -----

Stiff erect, dark green fronds provide accent to any landscape. Very coarse leaf.

MONROVIA NURSERY COMPANY.....Azusa, California

		2 1/4" Pot	1-Gal.	5-Gal.
DAIS cotinifolia (9)	Small evergreen tree that produces beautiful fragrant pink flowers in the summer.	.20	.60	2.25
DEUTZIA gracilis (4)	Graceful medium growing shrub 2 to 3 feet in height. Flowers are pure white. Deciduous.	.18	.50	
DIANELLA intermedia (6)	Medium size shrub with grass-like sheathing leaves, similar to phormium. White or blue flowers, followed by deep blue berries.		.75	
DICKSONIA antarctica. New Zealand Tree Fern (10)	A large spreading tree fern with a sturdy dark brown trunk and a crown of dark green fronds. Ultimate height 30 feet.	.25	1.00	3.50
3" pot	.45			
DICKSONIA fibrosa. Golden Tree Fern (10)	Outstanding tree fern to 20 feet with lacy shiny green fronds to 8 feet. Brown hairs on stem produces aerial roots.	.35	1.00	
3" pot	.50			
DIOSMA pulchrum. Pink Breath of Heaven (9)	Compact growing evergreen shrub with heather-like light green foliage. Tiny star-shaped flowers are produced in late winter and early spring.	.18	.50	1.85
DIOSMA reevesi. White Breath of Heaven (10)	Similar to Pink Breath of Heaven with dark green foliage and star-shaped white flowers in the spring.	.18	.50	1.85
DODONEA viscosa purpurea (8)	Attractive, fast growing, evergreen plant with bright purplish-red leaves. Grows to a large size.	.60		
DOMBEYA wallichii. Pink Ball Dombeya (9)	A large shrub with interesting foliage. Produces large lavender-pink ball-like flowers.	.25	.60	1.85
DORYANTHES palmeri. Spear Lily (9)	Large desert succulent with sword-like leaves producing bright scarlet flowers.		1.00	
DRACAENA draco. Dragon Tree (9)	The large tropical looking leaves are wide and rigid. This variety grows best in a dry location.	.20	.60	2.50
DRACAENA indivisa. Dracaena Palm (9)	Small tree with leaves like the Yucca.	.18	.50	1.85
DRACAENA indivisa Blue (9)	Similar to Dracaena indivisa except the foliage has blades with a blue shading.	.20	.60	1.85
DRACAENA rothiana (9)	Similar to Dracaena massangeana in growth habit but the palm-like leaves are a darker green with no variegation. Here is a wonderful plant for tropical plantings.		1.00	
DRACAENA Mme. Andres (9)	Long narrow, sword shaped leaves, deep bronze to purple in color. Very useful for specimens, or mass plantings.			3.50
DURANTA stenostachya. Brazil Skyflower (10)	Medium to large shrub having arching branches with attractive light green glossy foliage and racemes of light blue flowers.	.18	.50	1.85

MONROVIA NURSERY COMPANY.....Azusa, California

		2½" Pot	1-Gal.	5-Gal.
ELAEAGNUS pungens fruitlandi. Fruitland Silverberry (6)		.20	.50	1.85
Large spreading shrub having leaves and stems covered with shiny scales.				
2-gal. 1.50 5-gal. espalier 5.00				
ELAEAGNUS pungens. Silverberry (6)		.20	.50	1.85
A large spreading shrub covered with frosty-white shiny scales. Produces large silver-bronze berries.				
EQUISETUM hyemale. Horsetail Reed Grass (4)		.50		
Rush-like tropical grass. Deep green with jointed stems.				
ERICA John McLaren. Pink Bell Heather (9)		.18	.60	
Small compact growing shrub blooming twice a year with flowers that are a lovely shade of pink.				
ERICA melanthera rosea. Pink Scotch Heather (9)		.18	.60	1.85
Medium to tall evergreen shrub with fine billowy masses of tiny leaves and equally numerous rosy-pink flowers with black "eyes".				
ERICA melanthera rubra. Red Scotch Heather (9)		.18	.60	1.85
Deep rose-red flowers that bloom from October to February.				
ERICA vagans Maxwell (8)		.18	.60	
Medium-sized shrub having mild green feathery foliage and cone-like spikes of bright tubular rose-red flowers in early spring.				
ERIOBOTRYA japonica. Loquat (9)		.15	.50	2.00
Small to medium size tree with large dark green leaves and pear-shaped yellow edible fruits. (Seedlings.)				
5-gal. espalier 6.00				
ERIOBOTRYA bronze. Photinia Deflexa (9)				3.50
Outstanding, small, evergreen tree. New foliage has showy reddish-bronze color; mature leaves are dark green. Excellent for specimen planting. Grafted.				
ERIOBOTRYA japonica Gold Nugget (9)				2.50
Skillful grafting produces this choice plant. Noted for large, golden, delicious fruit and luxuriant foliage.				
ERYTHEA edulis. Guadalupe Palm (9)		.20	.60	
The attractive fans are clear bright green the entire year. Stems shed readily to leave a clean trunk. The round fruits are edible and have the flavor of apricots.				
ERYTHRINA bidwilli. Coral Tree (10)		.75	2.50	
A hybridized Erythrina resulting in exotic red bird-like flowers that bloom in the summer.				
ERYTHRINA caffra improved (10)		.20	.60	
Improved form of Erythrina caffra with larger red flowers.				
ERYTHRINA crista-galli. Cockspun Coral Tree (10)		.20	.60	
Long spikes of pear-shaped brilliant red flowers appear all summer and fall on this semi-deciduous large shrub or small tree.				
ESCALLONIA organensis (8)		.18	.50	1.85
Medium size bushy growing shrub with narrow bronzy-green leaves and clusters of appleblossom-like flowers white and pink.				
ESCALLONIA rubra. Red Escallonia (8)		.18	.50	1.85
Medium to large evergreen shrub with deep green glossy foliage and clusters of bright red tubular flowers with spreading petals.				
EUCALYPTUS caesia (8)				2.50
Small slender tree to 15 feet. Weeping branches almost continually splashed with rosy pink flowers. Silver-gray foliage.				

MONROVIA NURSERY COMPANY.....Azusa, California

	2½" Pot	1-Gal.	5-Gal.
EUCALYPTUS cinerea (8)	.20	.50	2.00
Evergreen tree, medium size. Improved type of E. pulverulenta.			
EUCALYPTUS citriodora. Lemon Scented Gum (9)	.18	.50	2.00
Tall, strong growing evergreen tree with picturesque smooth trunk and long pointed lemon scented leaves and white flowers.			
EUCALYPTUS cornuta. Yate-Tree (8)	.18	.50	—
Medium-size eucalyptus having rough, deeply furrowed, dark brown bark. Leaves are large and deep green in color.			
EUCALYPTUS ficifolia. Scarlet Flowering Gum (10)	.20	.50	2.00
Small to medium-sized evergreen tree much used for street planting and as a specimen for the masses of red flowers.			
EUCALYPTUS globulus compacta. Bushy Blue Gum (9)	.15	.50	1.85
Dwarf compact growing evergreen tree producing dense blue-green masses of foliage.			
EUCALYPTUS gunni. Cider Gum (8)	.18	.50	—
Medium sized tree, having smooth green and white bark. Makes a good shade tree.			
EUCALYPTUS Lehmani (8)	.18	.50	1.85
Small growing eucalyptus that has been used successfully as a street planting tree. Picturesque rough bark and large light green foliage make this tree very showy.			
EUCALYPTUS polyanthemos. Redbox Gum (8)	.18	.50	2.00
A tall growing open headed evergreen tree having handsome grayish-blue leaves.			
EUCALYPTUS rostrata. Red Gum (8)	.15	.50	2.00
A rapid growing evergreen tree with long narrow leaves.			
EUCALYPTUS rufa. Desert Gum (8)	.15	.50	2.00
Tall growing tree suitable for desert areas.			
EUCALYPTUS saligna. Sidney Blue Gum (9)	.18	.50	—
Tall shaft like tree with smooth bluish bark. Prefers heavy type soils.			
EUCALYPTUS sideroxylon rosea. Pink Ironbark (9)	.15	.50	2.00
Medium size tree with brownish-red rough bark and long pointed dark green leaves. The pink flowers are borne in large clusters.			
EUCALYPTUS stellulata (7)			2.00
Medium size tree with a good spreading habit of growth. It is an ideal shade tree and withstands both frost and severe winds.			
EUCALYPTUS viminalis. White Gum (8)	.15	.50	2.00
A fast growing evergreen tree that sheds its bark leaving a smooth white trunk.			
EUCALYPTUS viridis (8)	.18	.50	2.00
Small growing eucalyptus especially suitable for planting in dry areas.			

EUGENIA compacta (10)

This unusually compact Eugenia is exceptionally suited for formal shaping. Makes superior hedges. New foliage is a striking amber color.

2½" pot .18 1-gal. .50 5-gal. 2.00

MONROVIA NURSERY COMPANY.....Azusa, California

2¼" Pot 1-Gal. 5-Gal.

EUGENIA myrtifolia (E. paniculata australis).

Brush Cherry (10) .15 .50 2.00

Close growing evergreen shrub or small tree with dark bronzy-green leaves and fluffy white flowers followed by red berries.

EUONYMUS

Hardy, evergreen medium size shrubs with rounded glossy leaves widely used for hedges or specimen planting. Excellent for shearing.

EUONYMUS acutus (5) .18 .50

A good prostrate, rapidly spreading plant with smooth, shiny, dark leaves. Foliage is a deep red during the winter.

EUONYMUS europaeus. Spindle Tree (3) .18 .50

Erect fast growing deciduous shrub or small tree producing colorful pink flowers.

EUONYMUS fortunei carrierei (5) .18 .50

Semi-prostrate growing shrub having heavily veined leaves of deep glistening green.

EUONYMUS fortunei coloratus (5) .18 .50

Semi-prostrate growth. Foliage is deep green turning plum color in the fall.

EUONYMUS fortunei erecta (5) .18 .50 1.85

Evergreen upright growing shrub having large glossy foliage.

EUONYMUS fortunei Radicans Upright (5) .18 .50

Semi-upright in growth. Leaves become a deep red in the fall.
2-gal. 1.50

EUONYMUS japonica alba marginata (5) .18 .50

Attractive leaves with narrow margin of white which gives a silver-like cast.

EUONYMUS japonicus. Green Euonymus (5) .15 .50 1.85

Compact growing evergreen shrub with solid green leaves.

2-gal. 1.50

EUONYMUS japonicus aureo-marginatus. Golden Euonymus (5) .18 .50 1.85

Leaves dark green with bright gold margin.

2-gal. 1.50

EUONYMUS japonicus aureo-variegatus.

Gold Spot Euonymus (5) .18 .50 1.85

Compact shrub having gold leaves with a dark green margin.

2-gal. 1.50

EUONYMUS japonicus gigantea (5) .18 .50 1.85

Very vigorous upright grower with dark green leaves.

EUONYMUS japonicus grandifolia (5) .15 .50 1.85

Very large solid green leaves.

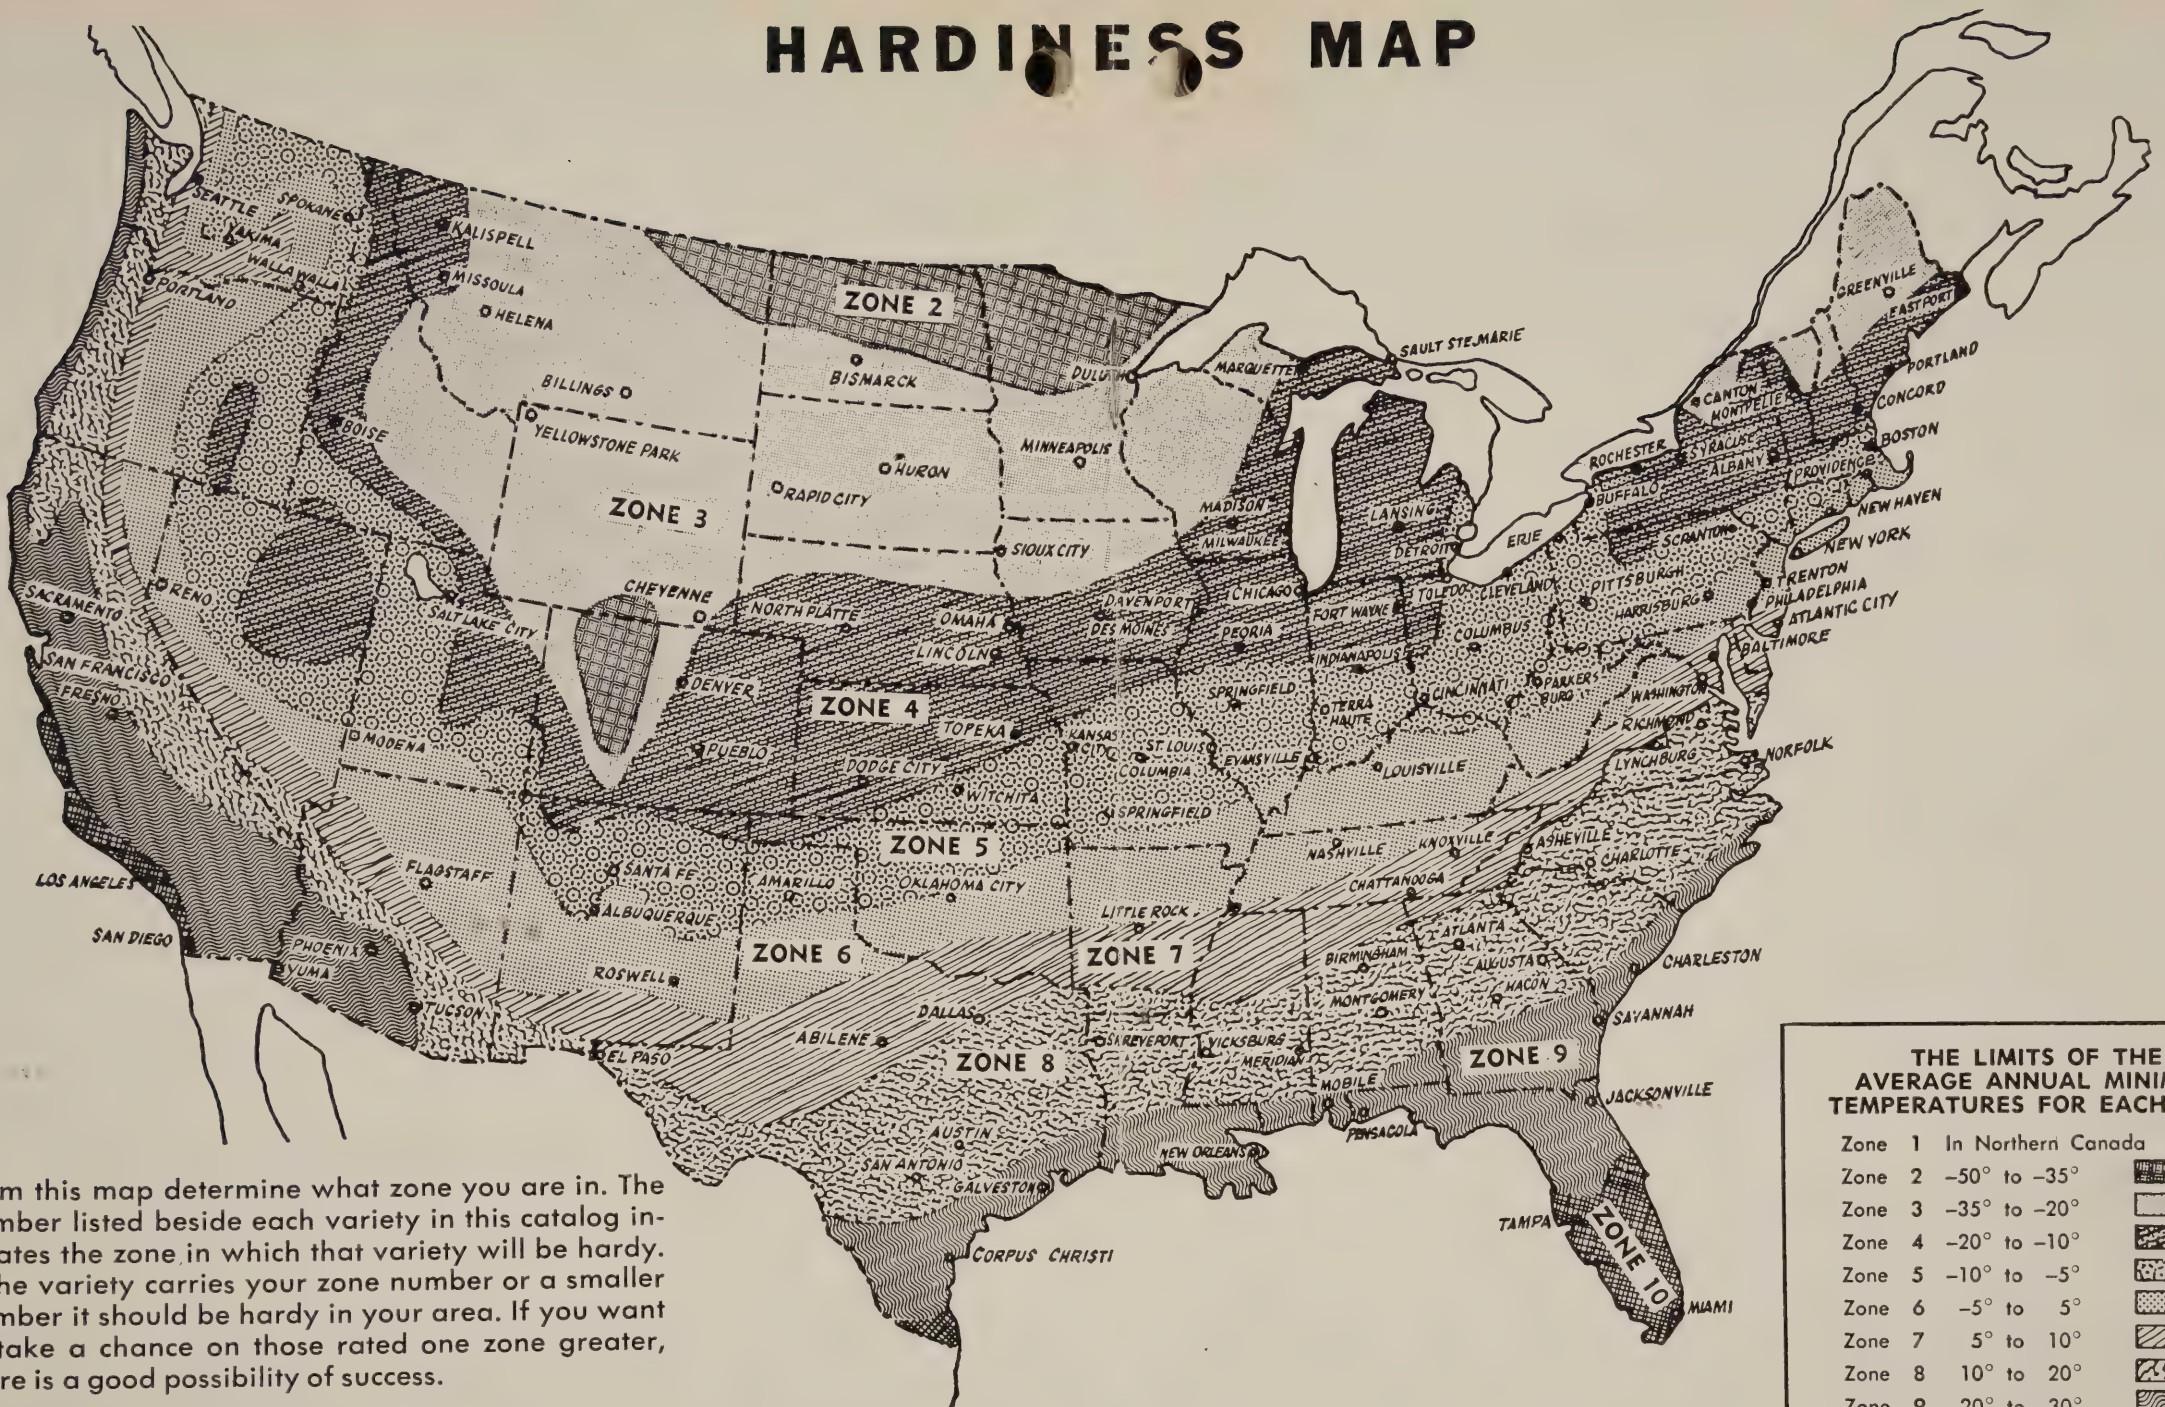

2-gal. 1.50

EUONYMUS japonicus microphyllus (E. pulchellus) (5) .18 .50

Very dwarf shrub with solid green leaves.

2-gal. 1.50

HARDINESS MAP

From this map determine what zone you are in. The number listed beside each variety in this catalog indicates the zone in which that variety will be hardy. If the variety carries your zone number or a smaller number it should be hardy in your area. If you want to take a chance on those rated one zone greater, there is a good possibility of success.

MINIMUM QUANTITIES

Please do not order less than the following quantities of any one variety.

- 25 in 2½" lining-out stock
- 25 in 3" lining-out stock
- 10 in 1-gallon containers
- 5 in 5-gallon containers

Please keep in mind that an order to be shipped by express, parcel post, or motor freight must total \$20.00 or more. This minimum also applies to local deliveries.

THE LIMITS OF THE AVERAGE ANNUAL MINIMUM TEMPERATURES FOR EACH ZONE

Zone 1	In Northern Canada	
Zone 2	-50° to -35°	
Zone 3	-35° to -20°	
Zone 4	-20° to -10°	
Zone 5	-10° to -5°	
Zone 6	-5° to 5°	
Zone 7	5° to 10°	
Zone 8	10° to 20°	
Zone 9	20° to 30°	
Zone 10	30° to 40°	

QUANTITY DISCOUNTS

1000 Plants	10%
500 Plants	5%

These discounts apply if the following requirements are met:

1. All plants must be of one variety.
2. All plants must be of one container size.
3. All plants must be shipped at one time.

MONROVIA NURSERY COMPANY.....Azusa, California

		2½" Pot	1-Gal.	5-Gal.
EUONYMUS japonicus Silver Queen (5)	Large light green foliage with a silver margin. Evergreen. 2-gal.	.18	.50	1.85
EUONYMUS kewensis (5)	Vining type euonymus having small light green leaves. Excellent for ground cover plantings.	.18	.50

	2.50	5-gal. Espalier	5.00	
	5-gal. pyramids 5'	3.50		

MONROVIA NURSERY COMPANY.....Azusa, California

2½" Pot 1-Gal. 5-Gal.

FICUS repens (F. pumilla). Climbing Fig (9)	.15	.50	
Close growing, clinging evergreen vine. Leaves rounded about one inch long. For sun or partial shade.			
FICUS repens minima	.20		
Similar to ficus repens except more dwarf growing, and the leaves are smaller. Good dark green foliage.			
FORSYTHIA Lynwood Gold (4)	.18	.50	
Large yellow flowers that are produced before leaves appear in spring. Deciduous.			
FORSYTHIA Spring Glory (4)	.18	.50	
Small deciduous shrub covered with brilliant yellow flowers in early spring. Deep green leaves.			
FRAXINUS uhdei. Shamel Ash. Evergreen Ash (9)	.18	.50	2.00
Medium size, slender evergreen tree, excellent for street planting or as a shade tree. Leaves long and glossy green.			
GARDENIA Mystery (8)	.18	.50	1.85
Bushy compact growing plant with glossy green leaves. Produces large creamy-white fragrant flowers during spring and summer.			
GARDENIA radicans (9)	.20	.60	1.95
Very desirable miniature gardenia having glossy foliage and small white fragrant flowers.			
2-gal. 1.75			
GARDENIA stricta nana (9)	.20	.60	
A hardy vigorous gardenia with attractive green foliage. Very free flowering.			
GARDENIA veitchi. Everblooming Gardenia (9)	.18	.50	1.85
Smaller than Mystery in bush, leaf and flower size but blooms longer.			
GELSEMIUM sempervirens. Carolina Jasmine (7)	.18	.50	2.00
Evergreen twining vine. Flowers are trumpet-shaped yellow and fragrant, making quite a show in late winter.			
GENISTA racemosa (Cytisus racemosus). Sweet Broom (8)	.20	.50	1.85
Compact evergreen shrub producing golden-yellow flowers in late spring.			
GINKGO biloba. Maidenhair Tree (4)	.18	.60	2.00
Picturesque open-growing deciduous tree with artistic fan-shaped leaves of bright green turning golden yellow in the fall. Hardy and disease resistant.			
GORDONIA alatamaha (Franklinia alatamaha) (5)			2.50
Small growing deciduous tree. Leaves turn scarlet in the fall along with its large white single flowers.			
GREVILLEA banksii (9)	.20	.60	
Shrub or tree to 20 feet with dull dark green deeply divided leaves. Produces erect heads of dark crimson flowers. January through May.			
GREVILLEA robusta. Silk Oak (9)	.18	.50	2.00
Tall growing evergreen tree making a narrow columnar head of fern-like dark green leaves and candelabras of bright orange-yellow flowers in spring.			
GREVILLEA rosmarinifolia (8)	.20	.60	
Attractive shrub to 6 feet, with graceful feathery like foliage.			

MONROVIA NURSERY COMPANY.....Azusa, California

		2½" Pot	1-Gal.	5-Gal.
GREWIA caffra Improved. Lavender Star Plant (10)		.20	.60	1.85
Fast growing plant with light green foliage and lavender star-shaped flowers which are borne most of the year.				
5-gal. Espalier	5.00			
GRISELINIA lucida (8)		.20	.50	1.85
Rounded evergreen shrub with neat appearing olive-green leaves.				
GUAVA Red Strawberry (Psidium cattleianum) (10)		.15	.50	1.85
Medium size evergreen shrub bearing clusters of small, round, dark red fruits. Used in making jellies.				
GUAVA Yellow Strawberry Improved (10)		.15	.50	1.85
This large glossy-leaved evergreen shrub bears edible strawberry-flavored fruit.				
GUNNERA manicata (9)		.60		2.00
Tropical shrub used for bold foliage effects. Can be planted in sun or shade and must have lots of moisture.				
HARDENBERGIA comptoniana. Vine-Lilac (10)		.20	.60	2.00
A fast growing vine having slender lacy leaves with deep clear blue flowers in February and March.				
HARPEPHYLLUM caffrum. Kafir Plum (9)		.60		2.50
Attractive small growing tree. The edible fruit is dark red and about the size of an olive.				
HARPULLIA arborea (10)		.25	.75	
Beautiful tree with deep green leaves, grows to 30 feet and produces panicles of bright orange seed pods.				
HEDERA canariensis (H. maderensis). Algerian Ivy (9)		.15	.50	2.00
Dark green unusually large leathery leaves makes this evergreen vine most desirable.				
HEDERA canariensis variegata (Variegated Algerian Ivy) (9)		.15	.50	2.00
Like the Hedera canariensis but its leaves are a creamy-white and green beautifully variegated.				
HEDERA hahni (Hahn's Ivy) (6)		.20	.50	
This compact growing ivy finds much use in planter boxes because of its somewhat restricted growth habit. Deep green foliage.				
HEDERA helix. English Ivy (4)		.15	.50	2.00
Dark green leathery leaves; smaller than Hedera canariensis.				
2-gal. 1.60				
HEDERA helix arborescens (6)		.20	.50	
A broad leaved evergreen with every appearance of ivy in bush form but having the ivy-like leaves twisted and contorted in an interesting manner.				
HEDYCHIUM spicata. Ginger Lily (10)		.60		
Dwarf tropical shrub with attractively deep green foliage bearing spikes of showy yellow flowers.				
HELIANTHEMUM lasianthum (Halimium lasianthum).				
Sun Rose (7)		.20	.50	
Small evergreen shrub having gray-green foliage. Flowers are yellow blotched with a purple base.				
HELIANTHEMUM ocymoides (Halimium ocymoides) (7)		.20	.50	
Evergreen silver-foliaged, low growing shrub. Large soft yellow flowers with a spot of purple at the base.				

MONROVIA NURSERY COMPANY.....Azusa, California

2½" Pot 1-Gal. 5-Gal.

HELICHRYSUM petiolatum. Cotton Leaf (9)20 .50 -----

Low growing semi-trailing evergreen shrub. Leaves appear to have been slightly covered with a light snow.

HELIOTROPIUM Black Beauty (Heliotropium arborescens).

Heliotrope (10)18 .50 -----

Highly fragrant, deep purple flowers. Plant has unusually dark green foliage.

HIBBERTIA volubilis. Gold Guinea Vine (10)18 .50 2.00

A luxuriant evergreen vine. Large gold colored single flowers create a fascinating contrast against the deep green leaves.

HIBISCUS (10)

Today's modern architecture and landscaping stresses tropical plantings and none can be complete without one or more Hibiscus — so, your demand for these exotic beauties is sure to keep soaring! MN's Hibiscus are especially grown for the sturdy root systems that mean added vigor and top quality — sure sellers for your nursery. MN produces every favored variety and color.

Agnes Gault.18 .50 1.85

The enormous velvety shrimp-pink single flowers are the largest and showiest of all pink hibiscus.

5-gal. tree-type **2.75**

American Beauty.20 .60 1.85

Large single bright pink flowers of varying intensity — lighter shades toward the edges.

Bride.20 .60 1.85

Large single crepe-like flowers opening to a blush-pink but within a few hours turning to a frosty-white.

Brilliant (San Diego Red).18 .50 1.85

Vivid crimson-red single flowers are produced profusely most of the year.

5-gal. tree-type **2.75**

California Gold.18 .50 1.85

Flowers are a rich single gold color shading into carmine-orange toward the center.

Crown of Bohemia.25 .60 1.85

Rich golden double flowers are produced most of the year. Very beautiful foliage.

HIBISCUS Fullmoon (Trade Mark Registered) (10). See picture page 48

You have never really seen a yellow hibiscus until you have seen the brilliant lemon yellow of new Hibiscus Fullmoon! Its bloom is extremely full and double, its petals wide-spread with a perfect symmetry of a full moon. Its lovely slender leaves are deep, shining green. Fullmoon blooms most of the year, an ideal shrub for foundation planting or hedges. Must be sold with T. M. R. Tags.

5-gal. **2.50**

Haleakala.25 .60 1.85

Medium single ruffled golden yellow with a red eye.

Kate Sessions.18 .50 1.85

One of the largest singles. Velvety amber-pink flowers with large overlapping petals.

MONROVIA NURSERY COMPANY.....Azusa, California

2½" Pot 1-Gal. 5-Gal.

Kauai.	.18	.50	1.85
A large windmill-type single rose-pink. This Hibiscus produces unusually good flowers during the winter.			
Kilauea.	.25	.60	1.85
Large single lemon-yellow. Entire flower is one solid color.			
Kona (Double Agnes Gault).	.18	.50	1.85
This is the double counterpart of Agnes Gault in the same delightful shade of pink.			
Mme. Chiang Kai-shek.	.18	.50	1.85
A beautiful double blush ivory-pink with yellow undertones. One of the hardiest.			
5-gal. tree-type	2.75		

HIBISCUS President (Trade Mark Registered) (10)

Hibiscus President is one of the most satisfactory Hibiscus ever offered to the nursery trade. Large, single flowers — dramatic both in size and in rich, intense, red coloring, rate it an instant favorite with your customers. Of equal appeal is its vigorous, glossy compact foliage which stays attractive the entire year. Upright and tall, it makes an impressive high hedge or foundation planting. Must be sold with T. M. R. Tags attached.

2½" pot .18 1-gal. .50 5-gal. 1.75

Red Monarch.	.25	.60	1.75
Huge double rosette-shaped flowers of a deep crimson.			

Ross Estey (10) See Picture Page 49.

Extremely large single flower with orange edges shading to glowing rose center. These ruffled and tufted flowers last 3 to 4 days in California. Foliage is extremely heavy and large with a glossy polished appearance.

1-gal. 1.00 5-gal. 2.50

Ruby Red.	.18	.50	1.85
Beautiful double bright red flowers. Leaves are a bright glistening green.			

Sensation.	.25	.60	1.85
This beautiful hibiscus has so many beautiful colors all blended into one — apricot, gold and rust. Truly a sensation.			

White Wings.	.18	.50	1.85
Large windmill-type single flowers with white petals and carmine throat.			

5-gal. tree-type 2.75

HARDIER HIBISCUS (7)

This variety does well in the colder areas. Even if they freeze to the ground they grow quickly the following spring and summer and provide an abundance of flowers.

Mutabilis Rubra. Confederate Rose. .20 .50 1.85

Large single red flowers.

HOLMSKIOLDIA sanguinea. Chinese Hat Plant (9)	.18	.50
An evergreen climbing shrub. Long clusters of bright red flowers; bracts are produced most of the year.		

MONROVIA NURSERY COMPANY.....Azusa, California

2½" Pot 1-Gal. 5-Gal.

HOSTA plantaginea. Funkia plantaginea. Plantain-Lily (6)	.75
Long strap-like leaves bearing showy white fragrant flowers to five inches long in late summer.	
HOYA carnosia. Wax Vine (9)	.25 .60
A climber with perfect waxy-white flowers with pink clusters. Its thick succulent-looking leaves require shade and much moisture.	
3" pot	.40

HYDRANGEAS (9)

MN's fine French hybrids are sure "sell-on-sight" items in the spring when the huge shiny apple-green leaves are almost hidden under gigantic pompons of brilliant bloom. Be sure to stock the full range of colors for extra quantity sales.

Hamburg. .18 .50 1.85

Very striking scarlet colored flowers produced in large clusters in early spring.

Hortensis (H. macrophylla) .18 .50 1.85

Bushy growing shrub bearing large clusters of delicate pink flowers. This variety grows taller and takes more sun than the French Hybrids.

Merritt's Beauty. .18 .50 1.85

Blooms are a very striking carmine-red.

Revelation. .18 .50 1.85

This hydrangea is a bright red. Compact dwarf habit of growth.

Trophee. .18 .50 1.85

Large heads of brilliant, salmon-rose flowers. Dwarf, compact habit of growth.

White. .18 .50 1.85

Giant clusters of pure white flowers.

Hydrangea petiolaris. Climbing Hydrangea. .20 .60

Showy artistic vine with large bold foliage. It clings to walls or other supports. Produces large flaky sterile blooms. Very showy and fragrant.

HYPERICUM calycinum (7) .15 .50

A low growing, bushy plant, bearing large, yellow flowers from May through October.

HYPERICUM hidcote (6) .18 .50 1.85

The beautiful golden-yellow flowers are cup-like, and waxy, and are produced more freely than on most hypericum. Growth is spreading.

HYPERICUM patulum henryi. Henry's Golden Cup (7) .18 .50 1.85

Low, busy growing shrub with light green foliage. Almost ever-blooming, it produces masses of bright yellow flowers.

HYPERICUM Sungold (Patent No. 568) (6) .35 .75 1.95

A shapely, dwarf shrub which grows into an almost completely oval globe. It bears golden-yellow flowers at the end of every shoot of the summer's new growth.

MONROVIA NURSERY COMPANY.....Azusa, California

HIBISCUS FULLMOON (TRADE MARK REG.)

MONROVIA NURSERY COMPANY. Azusa, California

HIBISCUS ROSS ESTEY

For Description, see page 46

2½" Pot 1-Gal. 5-Gal.

IDESIA polycarpa (6)

Tall growing deciduous tree bearing fragrant yellow flowers followed by orange-red berries.

.25 .75 2.25

HOLLY (ILEX)

Holly is profitable for you. Hardy, healthy, generally evergreen and versatile—all the more so because of MN's careful growing methods. Holly will be one of your steadiest, most popular sellers the year 'round. You'll find every desirable variety in the list below. Order today!

ILEX altaclarensis wilsoni (7)

Ideal as a tree or large shrub, the spiny large thick leaves and bright red berries make it one of the finest evergreen hollies. Vigorous rigid growth—always look neat. Dioecious. See picture page 49.

2½" pot	.35	1-gal.	.75	2-gal.	1.95
5-gal.	2.50	5-gal. tree-type		5.00	

ILEX aquifolium fertilis (6)25 .75 2.00

Bright green foliage. Produces masses of berries because of its self-fertility.

ILEX aquifolium. (Seedlings). English Holly (6)18 .50

Evergreen shrub with deep green serrated foliage. Vigorous growth.

ILEX aquifolium teuffel (6) 2.50

Especially neat appearing English holly with compact foliage and abundance of red berries.

ILEX aquiperni Brilliant (5)

Very neat long heavily serrated leaves and quantities of bright red berries make it one of the most eye-catching. Like Ilex burfordi, it nearly always produces berries. Self-fertile and evergreen.

2½" pot	.30	1-gal.	.75	2-gal.	1.95	5-gal.	2.50
----------------	------------	---------------	------------	---------------	-------------	---------------	-------------

ILEX cornuta (Cuttings). Chinese Holly (6) (female)18 .60 1.85

Hardy, medium to large shrub with deep green glossy leaves. Large bright red berries.

ILEX cornuta. (Seedlings). (6)15 .50 1.85

Versatile holly, grows in sun or shade. Compact and faster grower than the cuttings.

2-gal.	1.50	5-gal. 3' Pyramid	3.50
5-gal. 5' Pyramid			7.50

ILEX cornuta burfordi. Burford Holly (6)18 .50 1.95

The most prolific bearer of large bright red berries. Leaves are deep glossy green almost without spines. Self-fertile.

2-gal.	1.60	5-gal. 3' Pyramid	3.50
5-gal. 5' Pyramid	7.50	5-gal. Espalier	5.00

ILEX cornuta rotunda (6)25 .60 2.25

A very superior compact low growing holly with dense habit of growth. Ideal for those shady areas.

2-gal.	1.75
---------------	-------------

ILEX crenata convexa (Ilex crenata convexa bullata) (6)18 .60

Compact slow growing shrub. Very glossy small rounded leaves.

2-gal.	1.75
---------------	-------------

ILEX crenata helleri (5)18 .60

Dwarf growing type of holly. Excellent for hedges. Small leaves and compact type of growth.

MONROVIA NURSERY COMPANY.....Azusa, California

		2 1/4" Pot	1-Gal.	5-Gal.
ILEX crenata rotundifolia (5)	Has a dense habit of growth. Excellent for shady areas. A superior compact holly.	.20	.60	2.00
ILEX glabra. Ink Berry (6)	Strong growing upright branches. Foliage typical of crenata types. Neat appearing.	.20	.50	2.00
ILEX Green Island (Patent No. 817) (5)	Low spreading holly, with horizontal growth. Can be planted sun or shade. Mature size 4 feet high, 10 feet wide.	.35	.75	
ILEX latifolia (7)	Excellent broadleaf holly with shallow toothed leaves. Produces bright red berries in dense clusters. This large growing holly forms a dense round columnar head. Very showy.			2.50
ILEX opaca East Palatka (5)	Vigorous large growing holly with attractive foliage and brilliant berries.	.20	.60	2.00
ILEX opaca (Seedlings) (5)	One of the best large growing hollies. Forms a compact pyramidal or rounded head. Bright red berries maturing in November-December.	.18		
ILEX pernyi (6)	One of the finest hollies with graceful drooping branches closely overlaid with spiny long pointed, deep green leaves. Produces large red berries.	.20	.60	
ILEX vomitoria Dwarf Yaupon (7)	A dwarf, attractively compact form of Ilex vomitoria. Shiny slightly spined leaves and refined low growth make it so desirable in planters and ground covers.	.20	.60	2.25
3" pot	.35 2-gal.	1.75		
ILEX vomitoria Pride of Texas (7)	Evergreen tree or large shrub with small oval leaves and bright red berries. Usually self-fertile.	.20	.60	2.25
3" pot	.35 2-gal.	1.75		
ITEA ilicifolia. Holly-Leaf Sweetspire (8)	Attractive evergreen shrub attaining a height of 3 to 5 feet. Its holly-like leaves are a deep shining green.	.18	.50	1.85
JACARANDA mimosaeifolia. Jacaranda (10)	Medium-sized evergreen tree with large fern-like light green leaves. Clusters of bignonia-like lavender-blue flowers.	.18	.60	2.25
JACOBINIA carnea (10)	A small compact evergreen plant with tropical leaves. Rose-red flowers borne on long spikes.	.20	.50	
JASMINUM floridum (6)	Grows as a bush, handsome dark green foliage. Bright yellow flowers are borne in spring and summer.	.20	.50	1.85
2-gal.	1.50			
JASMINUM magnificum. Angel Wing Jasmine (10)	Large, fragrant white windmill-like flowers. Large green leaves. Semi-vine but grown as bushes.	.20	.60	1.85
JASMINUM parkeri (7)	A dainty miniature shrub of rounded compact growth habit. The flowers a bright yellow, are borne in profusion.	.25		
3" pot	.40			
JASMINUM primulinum (Jasminum Mesnyi). Primrose Jasmine (9)	Strong growing vine with rich green stems and leaves and bright, light yellow double flowers. Evergreen.	.18	.50	2.00

ILEX ALTACLARENSIS WILSONI
See Description, page 50

2 $\frac{1}{4}$ " Pot 1-Gal. 5-Gal.**JUNIPERUS — See Conifer Section**

KOELREUTERIA paniculata. Golden Rain Tree (5)20 .60 2.00

Deciduous tree attaining the height of about 30 feet. In late summer it produces panicles of bright yellow flowers.

LAGERSTROEMIA indica Dwarf Lavender (6) *20* .50 1.85

Large shrub or small tree covered with light lavender flowers in late summer. Deciduous.

**Lagerstroemia Regiae Orchid, ROYAL ORCHID Crape Myrtle,
Queen's Crape Myrtle.**

MN's Royal Orchid Crape Myrtle is spectacularly different. Summer blooms clothe hundreds of regal spikes with shimmering tones of orchid-pink. Deep green leaves, largest of any Crape Myrtle. Grows slowly to medium height, loves heat, takes temperatures as low as 20 F. Practically evergreen in coastal areas. Sells on sight as a specimen or for general landscaping!

1-gal. 1.25 5-gal. 2.50

(20) .50 1.85

LAGERSTROEMIA indica William Toovey (6)
Neat compact growing habit producing a solid mass of beautiful deep watermelon-red flowers in large heads.

.20 .50 1.85

LAGERSTROEMIA reginae Orchid. Queen's Crape Myrtle (9)

Queen's Crape Myrtle — a very beautiful summer flowering tree or large shrub producing great spikes of light lavender flowers during the summer. Grafted.

1-gal. 1.25 5-gal. 2.50

LANTANA callowiana Goldrush (Plant Pat. No. 1211) (9)

Trailing yellow — an entirely new species produced from the hybridization of Lantana camara and Lantana sellowiana, retaining only the finer characteristics of each. All who have seen it are amazed and delighted, and believe it to be the finest of all Lantanias. Practically all year countless clusters of the brightest yellow flowers cover the entire plant. The foliage, an attractive deep forest green, makes a most pleasing color contrast with the bright yellow flowers. One of the most outstanding characteristics is its trailing habit of growth, which means it can be used in so many ways, such as ground covers, bank covers, planters, etc. This attractive, prostrate shrub, Goldrush, grows rapidly and requires very little care. Must always be sold with patent tags.

2 1/4" pot .30 3" pot .45 1-gal. .60

LANTANA camara (9)

Exceptionally dwarf and compact, these evergreen Hawaiian shrubs produce a mass of color the year around. Easy to grow.

Christine. Cerise-pink. .15 .45

Dwarf Pink. Bright pink flowers. .15 .45

Dwarf White. Velvety white flowers. .15 .45

LANTANA (continued)

Dwarf Yellow. Bright Indian yellow flowers.	.15	.45	
Radiation. Rich orange-red flowers.	.15	.45	
LANTANA sellowiana. Trailing Lantana (9)	.15	.45	
Low spreading evergreen shrub with deep green leathery leaves. Covered most of the year with lavender-pink flowers.			
LAVENDULA latifolia (8)	.20	.60	
Attractive green-gray foliage with deep purple flowers. Resembles lavendula vera, except more compact.			
LAVENDULA vera. English Lavender (7)	.18	.50	
Dwarf, compact, shrubby perennial with silvery-gray foliage and fragrant lavender flowers.			
LEPTOSPERMUM keatleyi (9)	.20	.60	
Graceful evergreen shrub. Beautiful pink flowers with purple centers during late summer and early spring.			
LEPTOSPERMUM laevigatum. Australian Tea Tree (9)	.18		
Tall growing evergreen shrub or small tree with very small rich green narrow leaves and sprays of pure white flowers.			
LEPTOSPERMUM reevesi. Dwarf Australian Tea Tree (9)	.18		
Evergreen shrub with small oval leaves and white flowers.			
LEPTOSPERMUM scoparium flore pleno (9)	.18	.60	
Double rose-pink flowers cover the entire shrub during early spring. Beautiful dark foliage.			
LEPTOSPERMUM scoparium Ruby Glow (9)	.18	.60	
Evergreen shrub with dark purple stems and ox blood-red flowers.			
LEUCAENA retusa. Little Leaf Leadtree (8)	.20	.60	2.00
Tree to 30 feet with Acacia-like foliage.			
LEUCOPHYLLUM texanum. Texas Sage. Senisa (8)	.20	.50	1.85
Drought resistant shrub with silver-gray foliage, orchid-pink snapdragon-like blooms.			
LIBOCEDRUS decurrens — See Conifer Section.			
LIGUSTRUM japonicum. Japanese Privet (8)	.45	1.85	
Large leaved, fast growing evergreen shrub or tree.			
5-gal. tree-type	2.75		
LIGUSTRUM iodense (5)	.15	.50	
Compact growing shrub with thick heavy deep green leaves.			
LIGUSTRUM Suwannee River (Patent No. 1402) (7)	.95	2.25	
Outstanding hybrid ligustrum with deep lustrous green foliage. Very compact growing. Excellent for low hedges or planter boxes.			
LIGUSTRUM texanum. Wax Leafed Ligustrum (7)	.15	.50	1.85
Versatile evergreen shrub with deep green glossy foliage, heavy textured leaves. Stands shearing well.			
2-gal.	1.50	5-gal. Globe	2.50
5-gal. Pyramid 2'	2.50	5-gal. Pyramid 3'	3.00
5-gal. Pyramid 5'	4.00	5-gal. Espalier	5.00
5-gal. Poodle	7.50		

MONROVIA NURSERY COMPANY.....Azusa, California

		2½" Pot	1-Gal.	5-Gal.
LIGUSTRUM texanum variegata (7)		.20	.60	2.00
Excellent shrub with deep green foliage margined with gold. Very vigorous and attractive—many uses.				
LIGUSTRUM vicari (5)		.18	.50	
Dwarf growing hardy privet with a bright golden foliage. Excellent for filler or specimens.				
2-gal. 1.50				
LIPPIA citriodora. Lemon Verbena (9)		.18	.50	
Medium size deciduous shrub with light green aromatic foliage and loose panicles of tiny white to pale lavender flowers.				
LIQUIDAMBAR styraciflua. Sweet Gum (5)		.18	.50	2.00
Tall deciduous tree with a pyramidal head of maple-shaped leaves of deep rich green. Bright autumn color in fall. See page 25.				
LILAC. See Syringa or Ceanothus.				
LIRIODENDRON tulipifera. Tulip Tree (5)		.18	.50	2.00
Deciduous tree with bluish-green foliage. Tulip-shaped flowers of yellow-orange produced in spring.				
LIRIOPE grandiflora (6)		.50		
Wonderful for ground cover or ornamental specimen. Lush green foliage.				
LIRIOPE spicata. (Liriope graminifolia) (6)		.50		
A good grass-like plant good for ground covers or dish garden. Light lilac colored flowers.				
LIRIOPE variegated (6)		.50		
Attractive grass with variegated blades, has a well defined and interesting habit of growth.				
LONICERA heckrottii Improved. Coral Honeysuckle (5)		.18	.60	2.00
Climbing, twining vine with two inch oval leaves and brilliantly colored honeysuckle flowers of coral-red and yellow.				
LONICERA hildebrandtiana. Giant Burmese Honeysuckle (10)			1.00	2.50
Large shining leaves and clusters of white and yellow flowers bloom for six or seven months. Grafted.				
LONICERA japonica halliana. Hall's Japanese Honeysuckle (5)	.15		.45	
Vigorous twining vine much used as a ground cover or for covering fences, arbors, etc. Fragrant white to yellow flowers.				
1-gal. staked .50				
LONICERA japonica purpurea (5)		.15	.45	
Similar to Lonicera japonica halliana in most ways except the foliage has a red tint.				
1-gal. staked .50	5-gal. bush	1.85		
LONICERA Max Sachalinensis (5)		.18	.50	
Grows to 10 feet with violet-red flowers in May and June. Fits perfectly into any landscape.				
LONICERA maximowiczi (6)		.18	.50	
Large growing shrub with violet-red flowers in early summer. Foliage is large and showy.				
LONICERA pileata yunnanensis (5)		.18	.50	
Low spreading semi-evergreen with handsome deep green foliage. Flowers are quite fragrant.				

PALMETTO ESPALIER

5' PYRAMID

BUSH-TYPE

LIGUSTRUM TEXANUM IN 5-GALLONS

	2 1/4" Pot	1-Gal.	5-Gal.
LONICERA syringantha (5)	.18	.50
Upright, slender branched shrub. Leaves are obtuse shaped and a dull blue-green in color. Very attractive.			
LONICERA zabeli (5)	.18	.50
Small shrub to 12 feet, small linear leaves. Rose-pink flowers are produced May and June.			
LOQUAT—See Eriobotrya japonica.			
LOROPETALUM chinense (7)	.75	2.50	
Large growing evergreen shrub bearing white flowers with strap-shaped petals in the spring. The large rounded leaves are very showy.			
LYSILOMA thornberi (9)	.20	.50	2.00
Handsome large growing evergreen shrub with feathery foliage. Native to Arizona. Very rare.			
MAGNOLIA Grandiflora. Southern Magnolia (7)	.18	.60	2.25
Medium size evergreen tree with large, deep green, glossy leaves and immense lily-like, fragrant white flowers.			
5-gal. espalier	6.50		
MAGNOLIA obovata (Magnolia hypoleuca) (5)	.25	.75	
Large white flowers and dark green leaves glaucous underneath. Very attractive tall growing tree.			

MONROVIA NURSERY COMPANY.....Azusa, California

	2 1/4" Pot	1-Gal.	5-Gal.
MAGNOLIA St. Mary (7)			3.50
Smaller growing tree than magnolia grandiflora; with long narrow, thick, shiny leaves. Grows pyramidal in shape. Plants bloom when young. Grafted.			
MAGNOLIA soulangeana. Saucer Magnolia (5)	1.00	3.50	
Small deciduous tree producing large multi-colored exotic flowers in early spring.			
MAGNOLIA soulangeana nigra (5)			3.50
Similar to Magnolia soulangeana but the cup-shaped flowers are a much darker purple outside, and a light purple inside. Outstanding for specimen planting.			
MAHONIA aquifolium. Oregon Grape (4)		.60	2.00
Medium size, evergreen shrub with deep, glossy green, holly-like foliage and clusters of yellow flowers followed by blue grape-like berries. See picture page 53.			
2-gal.	1.60		

MAHONIA aquifolium compacta (4) See Picture Page 60.

A compact type of popular Oregon Grape, an outstanding evergreen easily grown in sun or partial shade. Deep green, glossy foliage.

2-gal. 1.75 5-gal. 2.50

MAHONIA bealei. Holly Grape (5)	.20	.60	2.25
Large slow growing shrub with outstanding foliage of bronzy green.			
3" pot .35 2-gal. 1.75			
MAHONIA lomarifolia (8)	.25	.75	
Most interesting design created by the compound deep leathery green leaves of this refined evergreen accent shrub.			
MALPIGHIA coccigera (9)		.75	
Attractive medium size shrub with small, dark green, spiny toothed leaves, resembling holly. Pink flowers followed by red berries. Grows best in part shade.			
MALPIGHIA glabra. Barbados Cherry (8)		.75	
Glossy leaved large growing shrub with light pink flowers. Produces small scarlet-red berries. Excellent for hedge plantings.			
METROSIDEROS tomentosa. New Zealand Christmas shrub (10)	.18	.60	1.95
Large shrub having large dark green leathery leaves. Dark red flowers form in dense showy heads.			
MONSTERA deliciosa (9)		1.00	
Deeply lobed leaves of true tropical character. Very slow growth.			
3" pot .50			
MORUS alba. Fruitless Mulberry (5)		.25	.60
An excellent deciduous, round headed shade tree. Large dark green leaves. Grows rapidly and likes plenty of moisture.			2.25
MURRAEA exotica (Murraya exotica). Orange Jessamine (9)		.20	.60
An improved, dwarf, compact growing variety. Exquisite foliage, and the fragrant, pure white flowers are borne in early summer.			1.85
MURRAEA paniculata (Murraya paniculata).			
Orange Jessamine (9)		.20	.60
Delightful evergreen shrub. Luxuriant, bright green leaves and waxy white flowers with intense, orange blossom fragrance.			1.85
MUSA ensete. Abyssinian Banana (10)		.60	2.00
An ornamental banana, ideal for tropical plantings. Fast growing.			
3" pot .30			
MYOPORUM laetum (9)		.18	.50
A large dense shrub or small tree with bright, shiny leaves and purple spotted, white flowers.			

MONROVIA NURSERY COMPANY.....Azusa, California

		2½" Pot	1-Gal.	5-Gal.
MYOPORUM tomentosum (9)	Very similar to Myoporum laetum except the leaves are larger.	.18	.50	—
MYRSINE africana. African Boxwood (8)	A fine, compact, evergreen shrub with small, rounded leaves similar to boxwood. Does well in sun or shade.	.18	.50	1.85
MYRTUS boetica (9)	Small evergreen shrub having larger leaves than common myrtus. Cutting grown to insure true characteristics.	—	.75	—
MYRTUS communis. True Myrtle (8)	Creamy-white flowers appear in the spring. A very compact grower with small, deep, shiny, green leaves.	.15	.50	1.85
MYRTUS communis compacta. Dwarf Myrtle (9)	A slow growing, very compact, evergreen shrub with small, glossy, green leaves.	.15	.50	1.85
MYRTUS communis variegata (9)	Small, compact, evergreen shrub with variegated leaves of white, silver and green.	.18	.50	1.85
MYRTUS compacta variegata (9)	Same fine quality as Myrtus compacta except for the variegation of the leaves.	.18	.50	—
MYRTUS ugni. Chilean Guava	Small growing evergreen shrub with leathery, dark green, shining leaves, whitish beneath. Small flowers are tinted rose. The interesting foliage makes this plant different from other myrtus.	.20	.60	—
NANDINA domestica. Heavenly Bamboo (6)	Low growing shrub to 4 feet, having much divided leaves which turn a brilliant red in autumn.	.15	.50	1.85
2-gal. 1.50				
NANDINA domestica compacta (6)	More dwarf and compact growing than Nandina domestica.	.75	2.25	
2-gal. 1.75				
NERIUM oleander. Oleander (9)	Large growing, evergreen shrubs with long, narrow, dark green leaves and showy clusters of waxy, brightly colored flowers in the summer. Oleanders grow well in hot, dry areas and at the sea coast.			
NERIUM Cherry Ripe. Brilliant, single, rose-red flowers.	.18	.50	1.85	
NERIUM Compte Barthelemy. Double, bright red flowers, sometimes streaked with white	.18	.50	1.85	
NERIUM Jannoch. Large, single, bright red flowers.	.18	.50	1.85	
NERIUM Mrs. Roeding. Double salmon-pink flowers.	.18	.50	1.85	
NERIUM Pink Beauty. Largest, single, pink flowers.	.18	.50	1.85	
NERIUM Sister Agnes. Pure single white flowers.	.18	.50	1.85	
NOTHOPANAX arboreum (9)	Beautiful evergreen tree to 25 feet with lush deep green leaves. Very small flowers.			2.50
NYSSA sylvatica. Pepperidge (7)	Large growing deciduous tree that is prized for the beautiful scarlet coloring of its leaves in the fall. Long, lush green foliage during the summer. Grows best in moist locations.	.25	.75	—
OCHNA multiflora. Bird's-Eye Bush (9)	Evergreen shrub with long finely-toothed leaves of bronzy tint. The dark yellow flowers are followed by red fruit.	.20	.60	2.00

MAHONIA AQUIFOLIUM COMPACTA (See page 58)
with border of OSMANTHUS VARIEGATUS Foreground (See page 61)

	2½" Pot	1-Gal.	5-Gal.
OLEA manzanilla. Manzanilla Olive (8)	.20	.60	1.85
A round-headed evergreen tree with distinctive gray-green foliage. Fruiting variety.			
1-gal. staked75 5-gal. tree-type 2.25			
5-gal. espalier 5.00			
OLMEDIILLA betscheleriana. Costa Rican Holly (10)	.20	.50	1.85
Evergreen shrub or small tree having large, thick, glossy serrated leaves. Very desirable and neat in growth.			
1-gal. staked60 5-gal. tree-type 2.50			
5-gal. espalier 5.00			
OPHIOPOGON japonicus. Lily Turf (6)	.15	.50	-----
Valuable ground cover because of its sod-forming habit. Evergreen grass with light lavender flowers.			
OSMANTHUS americanus (9)	.18	.60	2.00
A bushy shrub or tree to 40 feet with whitish bark and lustrous very large olive-like leaves. Very fragrant flowers.			
OSMANTHUS delavayi (7)	.20	.60	1.85
Shiny green foliage on arching branches, refined growth. Fragrant white flowers.			

MONROVIA NURSERY COMPANY.....Azusa, California

2½" Pot 1-Gal. 5-Gal.

OSMANTHUS fragrans. Sweet Olive (9)20 .60 1.85

Evergreen shrub for sun or partial shade. The dark green foliage conceals the tiny white flowers which have a delightful fragrance.

5-gal. espalier 5.00

OSMANTHUS illicifolius variegatus. False Holly (7)85

Evergreen shrub having holly-like irregularly spined leaves of leathery texture. Leaves are dark green edged with creamy-white.

3" pot .50 2-gal. 2.00

OSMANTHUS San Jose Hybrid (8)20 .50 1.85

Tall evergreen shrub or small tree with holly-like foliage. Creamy-yellow fragrant flowers produced in fall and winter.

OSMAREA burkwoodi (8)20 .75

Showy, evergreen medium size shrub having glossy, dark green leaves. Fragrant ivory-white flowers are produced in the spring.

2-gal. 1.75

PANICUM palmifolium. Palm-Grass (8)18 .60

Attractive evergreen grass-like plant with dark green leaves to two feet in length. Good ornamental plant for use in both sun and shade tropical plantings.

PARKINSONIA aculeata. Jerusalem Thorn (8)20 .60

A very good, small deciduous tree for hot dry places. During early summer it becomes a mass of small, bright yellow flowers.

PASSIFLORA pfordi (9)20 .60 2.00

The most beautiful passion vine with large flowers, white with pinkish tints with a purple-blue crown in center.

PHASEOLUS gigantea. Giant Snail Vine (10)20 .60 2.00

An evergreen vine producing lavender flowers in large clusters.

JASMINUM MAGNIFICUM
For Description see page 51

MONROVIA NURSERY COMPANY.....Azusa, California

2 1/4" Pot 1-Gal. 5-Gal.

PHELLODENDRON amurense. Cork Tree (7)	.20	.60	
Interesting tree has cork-like bark and green pinnate leaves with small greenish flowers. Good for specimen planting. Deciduous.			
PHILADELPHUS coronarius aureus (4)	.20		
Tall growing upright shrub with orange scented white flowers.			
PHILADELPHUS virginialis. Mock Orange (4)	.18	.50	1.85
The finest Philadelphus, having large double and semi-double, pure white flowers.			
PHILLYREA media (9)	.20	.60	
Small evergreen tree or shrub with opposite gray-green leaves.			
PHILODENDRON andersoni (9)			3.75
Long, lush green leaves that are deeply lobed. Recommended for indoor plantings as well as outdoor.			
PHILODENDRON bipinnatifidum (9)			3.75
Lush tropical leaves on upright stems make a showy masterpiece. Long deeply lobed leaves.			
PHILODENDRON evansi (9)			3.75
Unmatched for lush dark green tropical foliage. Long, solid leaves.			
PHILODENDRON lundi (9)			3.75
Large solid leaves are broader than philodendron evansi.			
PHILODENDRON selloum (9)	.25	.75	3.00
A wonderful plant for that lush tropical planting, both indoors and out. The leaves are large, glossy and deeply lobed.			
3" pot .40			
PHOENIX canariensis. Ornamental Date Palm (8)			.60 2.50
Rapid growing palm that forms an immense crown of gracefully curving fronds.			
PHOENIX reclinata (9)			2.50
Graceful palm to 25 feet, with large, bright green arching fronds.			
PHORMIUM tenax. New Zealand Flax (9)	.18	.50	1.85
Long, stiff, sword-like leaves margined with red and orange lines. Grows well in dry locations.			
PHORMIUM tenax atropurpurea (9)			.75 3.00
Similar to Phormium tenax except the leaves are tinted with a red-amber color.			
PHORMIUM tenax variegatum (9)			3.00
Sword-like leaves have prominent creamy white striping.			
PHOTINIA glabra (7)	.18	.50	
Vigorous growing evergreen shrub to 8 feet. Very beautiful in the spring as the new foliage is a brilliant red.			
PHOTINIA serrulata. Chinese Photinia (7)	.15	.50	1.85
Compact evergreen shrub with bronze tinted leaves 4 to 5 inches long. Clusters of white flowers followed by bright red berries.			
2-gal. 1.50			
PHOTINIA serrulata nova (7)	.20	.50	1.85
A very good evergreen shrub. The large, dark green, thick, shining leaves are attractive the whole year.			
2-gal. 1.50			
5-gal. tree-type 3.50	5-gal. espalier	5.00	
PHOTINIA serrulata lineata (7)			.60 2.50
Similar to serrulata nova except foliage is variegated. Large spots of amber-yellow and shades of green. Very showy.			

MONROVIA NURSERY COMPANY.....Azusa, California

		2½" Pot	1-Gal.	5-Gal.
POLYGALA dalmaisiana. Sweetpea Shrub (9)		.18	.50	1.85
Evergreen, small to medium size shrub having small, light green leaves and producing masses of orchid-like purple flowers.				
POLYGONUM auberti. Silver Lace Vine (4)		.20	.60	2.00
Hardy, climbing, twining vine having masses of slender stems and light green foliage. The plumes of tiny white to pinkish flowers last a long time.				
POLYSTICHUM capense. Leather Fern (8)		.75		
Slow grower with dark green foliage. Has creeping rootstock.				
POLYSTICHUM setosum (8)		.75		
Coarse growing fern with heavy textured leaves. Grows very well in shaded areas.				
POTENTILLA farreri (4)		.18	.50	
Low growing evergreen shrub with bright yellow flowers.				
POTENTILLA fruticosa. Gold Drops (4)		.18	.50	
Small compact growing shrub producing a mass of golden buttercup-like flowers all summer.				
PRUNUS caroliniana. Carolina Cherry, Cherry Laurel (7)		.15	.50	1.85
Large shrub or a small tree with dark glossy, green foliage. White flowers followed by small, dark berries.				
2-gal. 1.50 5-gal. tree-type 2.75				
PRUNUS caroliniana compacta (7)		.60	1.85	
Similar to Prunus caroliniana except more compact growing.				
PRUNUS cistena. Dwarf Red Leaf Plum (4)		.20		
Spectacular red-leaved plum that grows to about 6 feet in height.				
PRUNUS integrifolia. (P. Lyoni). Catalina Cherry (8)		.50	1.85	
Large, slow growing shrub or small tree with light green, glossy foliage, white flowers and purple fruits.				
3" pot .25				
PRUNUS jacquemonti. Jacquemont Cherry (5)		.18		
Deciduous spring blooming shrub, producing single pink flowers followed later by sweet, tasty cherries.				
PRUNUS laurocerasus. English Laurel (6)		.18	.50	1.85
Evergreen, hardy, large growing shrub with heavy, rich green foliage. Will not grow in alkaline soil.				
PRUNUS laurocerasus schipkaensis (7)		.20	.60	
Hardy, compact growing prunus with small leaves; dark green above and very light green beneath. Excellent for hedge plantings.				
PRUNUS zabeliana (7)		.20	.60	1.85
Similar in growth to prunus laurocerasus, except the leaves are narrow and pointed.				
PTERIS flaceda (9)		.75		
Delicate lacy dark green fronds resembling carrot tops. Prefers shade and an abundance of moisture.				
PTERIS Ostrich Plume (Onoclea struthiopteris) (5)		.75		
Beautiful deep green fronds. Very vigorous grower. Shade.				
PTERIS tremula (9)		.75		
Coarsely serrated fern with attractive yellow-green fronds.				
PTERIS Woodrustic (7)		.75		
Fast growing fern with long light green fronds. Prefers shade.				

MONROVIA NURSERY COMPANY.....Azusa, California

		2 1/4" Pot	1-Gal.	5-Gal.
PHELLODENDRON amurense. Cork Tree (7)		.20	.60	
Interesting tree has cork-like bark and green pinnate leaves with small greenish flowers. Good for specimen planting. Deciduous.				
PHILADELPHUS coronarius aureus (4)		.20		
Tall growing upright shrub with orange scented white flowers.				
PHILADELPHUS virginialis. Mock Orange (4)		.18	.50	1.85
The finest Philadelphus, having large double and semi-double, pure white flowers.				
PHILLYREA media (9)		.20	.60	
Small evergreen tree or shrub with opposite gray-green leaves.				
PHILODENDRON andersoni (9)				3.75
Long, lush green leaves that are deeply lobed. Recommended for indoor plantings as well as outdoor.				
PHILODENDRON bipinnatifidum (9)				3.75
Lush tropical leaves on upright stems make a showy masterpiece. Long deeply lobed leaves.				
PHILODENDRON evansi (9)				3.75
Unmatched for lush dark green tropical foliage. Long, solid leaves.				
PHILODENDRON lundi (9)				3.75
Large solid leaves are broader than philodendron evansi.				
PHILODENDRON selloum (9)		.25	.75	3.00
A wonderful plant for that lush tropical planting, both indoors and out. The leaves are large, glossy and deeply lobed.				
3" pot .40				
PHOENIX canariensis. Ornamental Date Palm (8)			.60	2.50
Rapid growing palm that forms an immense crown of gracefully curving fronds.				
PHOENIX reclinata (9)				2.50
Graceful palm to 25 feet, with large, bright green arching fronds.				
PHORMIUM tenax. New Zealand Flax (9)		.18	.50	1.85
Long, stiff, sword-like leaves margined with red and orange lines. Grows well in dry locations.				
PHORMIUM tenax atropurpurea (9)			.75	3.00
Similar to Phormium tenax except the leaves are tinted with a red-amber color.				
PHORMIUM tenax variegatum (9)				3.00
Sword-like leaves have prominent creamy white striping.				
PHOTINIA glabra (7)		.18	.50	
Vigorous growing evergreen shrub to 8 feet. Very beautiful in the spring as the new foliage is a brilliant red.				
PHOTINIA serrulata. Chinese Photinia (7)		.15	.50	1.85
Compact evergreen shrub with bronze tinted leaves 4 to 5 inches long. Clusters of white flowers followed by bright red berries.				
2-gal. 1.50				
PHOTINIA serrulata nova (7)		.20	.50	1.85
A very good evergreen shrub. The large, dark green, thick, shining leaves are attractive the whole year.				
2-gal. 1.50				
5-gal. tree-type 3.50	5-gal. espalier	5.00		
PHOTINIA serrulata lineata (7)			.60	2.50
Similar to serrulata nova except foliage is variegated. Large spots of amber-yellow and shades of green. Very showy.				

MONROVIA NURSERY COMPANY.....Azusa, California

		2 1/4" Pot	1-Gal.	5-Gal.

the Pyracanthas*

2 1/2 Pot 1-Gal. 5-Gal.

PUNICA Chico. Dwarf Carnation Flowered Pomegranate (7) .18 .50

One of the finest dwarf, deciduous shrubs. The leaves are light green; flowers are bright red in the summer.

PUNICA granatum nana. Dwarf Pomegranate (7) .15 .50

Dwarf, compact, deciduous shrub; producing single red flowers and fruits of ornamental value.

✓ PYRACANTHA coccinea lalandi Monrovia (5) .18 .50 1.85

One of the hardiest pyracantha. Long arching branches with lustrous green foliage and sprays of bright orange berries in the fall and winter.

2-gal. 1.50 5-gal. espalier 5.00

✓ PYRACANTHA coccinea lalandi Thornless (4) .18 .50 1.85

Hardy pyracantha; generally a thornless variety. Produces orange berries.

✓ PYRACANTHA coccinea pauciflora (4) .18 .50 1.85

Evergreen, low growing, pyracantha that is able to withstand extreme weather conditions.

2-gal. 1.50

✓ PYRACANTHA coccinea (improved) (4) .18 .50 1.85

Similar to other coccineas in growth but berries are more red.

✓ PYRACANTHA coccinea wyatti (4) .18 .50 1.85

Very hardy variety producing clusters of orange-red berries in early fall.

2-gal. 1.50 5-gal. espalier 5.00

✓ PYRACANTHA crenata—serrata graberi. Graber's Firethorn (8) .18 .50 1.85

A large vigorous growing pyracantha, outstanding for its large red berries produced in great clusters at Christmas time.

1-gal. Pyramid 14" .65 5-gal. Pyramid 3' 2.00
5-gal. Pyramid 5' 2.50 5-gal. espalier 5.00

✓ PYRACANTHA Cal-Poly (8) .20 .50

A new vigorous growing Pyracantha that is outstanding for its showy pink flowers, followed by bright red berries.

✓ PYRACANTHA Government Red (8) .18 .50 1.85

A new hardier variety with foliage like other red berrying types.

✓ PYRACANTHA Kasan (3) .20 .75

This is a hardier and even more heavily fruiting variety than coccinea lalandi. Somewhat dwarfer in growth habit. Brilliant orange-scarlet berries remain on the plants late into winter.

PYRACANTHA Rosedale (Trade Mark Reg.) (8) .18 .50 1.85

Pyracantha Rosedale richly deserves its reputation as the most beautiful pyracantha. In early spring it produces long arching sprays of tiny, lacy, ivory-white flowers. In summer dark, rich green foliage goes on display. Finally, in fall and winter, it grows heavy with large berries, brightest red of any variety. Highly versatile—easily espaliered on walls, fences, or trained as a flaming hedge. Must be sold with Trade Mark tags attached. See picture page 21.

2½" Pot 1-Gal. 5-Gal.

(20) .50 1.85

✓ PYRACANTHA Santa Cruz Prostrata (8)

Unique and delightful prostrate growing habit allows this pyracantha to be used in new ways. Large red berries arrive in fall, continue well into winter.

(18) .50 1.85

PYRACANTHA Victory (8)

Strong growing pyracantha producing large red berries which are retained long after Christmas.

2-gal. 1.50 1-gal. Pyramid 14" .65

5-gal. Pyramid 3' 2.00 5-gal. Pyramid 5' 2.50

5-gal. Espalier Palmetto 5.00

PYRACANTHA walderi prostrata (8)

Large red berries in clusters. Spreading habit of growth.

(20) .50 1.85

PYRUS kawakami. Evergreen Pear (9)

2.50

May be grown as a small tree, a large shrub or very effectively espaliered. The glossy luxuriant foliage is handsome the year around. In the spring it's a mass of fragrant white flowers. Grafted.

5-gal. espalier 5.00

5-gal. espalier candalabra 6.50

3 pts.

QUERCUS agrifolia. California Live Oak (9)

(20) .60 2.50

A round-headed, spreading, evergreen tree with rough black bark and dark green foliage.

3" pot .25

QUERCUS ilex. Holly Oak (7)

.20 .60 2.50

An excellent medium-sized evergreen tree with shiny finely-toothed, holly-like leaves.

3" pot .25

RAPHIOLEPIS indica Springtime.

2.50

Pink Indian Hawthorne. (Trade Mark Reg.) (8)

Veteran nurserymen tell us that no other hawthorne can match the beauty of our new Springtime. January to April, its superb, leathery, evergreen foliage is literally flooded with magnificent apple-blossom pink bloom clusters. Taller, more regal than most Hawthornes, it grows moderately fast. Blooms lighten in color inland. An amazingly attractive shrub and a steady seller for dependable turnover and profits. Must be sold with T. M. R. Tags attached.

RAPHIOLEPIS indica Enchantress.

2.50

Red Indian Hawthorne. (Trade Mark Reg.) (8)

For its pure beauty, your customers will give Raphiolepis Enchantress excited praise. Flowers are large, of rich rose-red and appear in thick clusters from late winter till early summer. The shrubs growing habits are upright and compact and show off luxuriant, glossy green foliage to superb advantage. Hardy—grows in full sun or partial shade. Flowers deepen in color near the ocean. Must be sold with T. M. R. Tags attached.

RAPHIOLEPIS ovata. Round-Leaf Raphiolepis (6)

.18

3 pts.

Medium to large evergreen shrub with rounded dark green leathery leaves. Produces clusters of fragrant white flowers. Hardy in sun or shade.

RAPHIOLEPIS indica Santa Barbara (Seedlings) (8)

(18) .50 1.85

Flowers will vary in color from a light pink to deep rose.

Compact miniature rose that is wonderfully free-flowering. Flowers are creamy-white in color.				
ROSA rouletti (5)		.20	.60	
Miniature rose growing 6" to 8" high with double pink flowers during the summer.				
ROSA White Wings (5)		.20	.60	
Miniature rose bearing very double pure white flowers.				

MONROVIA NURSERY COMPANY.....Azusa, California

		2½" Pot	1-Gal.	5-Gal.
ROSMARINUS <i>foresteri</i> . Santa Barbara Rosemary (8)		.18	.50	
The finest Rosemary grown. Prized for its deep green foliage and perfect, small shrub beauty. Semi-prostrate.				
SALVIA <i>pitcheri</i> . Blue Salvia (7)		.18	.50	
Hardy perennial with grayish-green foliage. Deep blue flowers.				
SANTOLINA <i>chamaecyparissus</i> . Lavender Cotton (8)			.50	
A low expansive plant with dense gray foliage of pleasing texture producing showy buttony gold flowers on long stems.				
SAPIUM <i>japonicum</i> . Japanese Tallow Tree (7)			.25	
Large growing deciduous tree with long leaves much wider than those of indicum.				
SAPIUM <i>indicum</i> (7)				2.50
Beautiful deciduous tree to 40 feet. Unmatched for its outstanding coloring of the foliage in fall.				
SAPIUM <i>sebiferum</i> . Chinese Tallow Tree (7)		.25	.75	
Similar to indicum in growth and coloring, but the leaves are shaped similar to the poplar.				
SARCOCOCCA <i>hookeriana</i> (7)		.18	.50	
Beautiful evergreen shrub with a dense growing habit. Leaves are longer and more pointed than ruscifolia. This variety produces lots of berries.				
SARCOCOCCA <i>hookeriana humilis</i> (7)		.20	.60	
Evergreen, compact growing, more dwarf than hookeriana. Dark green, short leaves. Excellent planter box shrub.				
2-gal. 1.75				
SARCOCOCCA <i>ruscifolia</i> (7)		.18	.50	1.85
Evergreen shrub with shiny waxy leaves. Dense habit of growth. Will thrive in dense shade.				
SARCOCOCCA <i>saligna</i> (7)		.18	.50	
Similar to ruscifolia except the leaves are longer and rounded. Small yellow flowers followed by purple berries. Shiny, dark green foliage.				
SAXIFRAGA <i>rubicunda</i> . (<i>Bergenia cordifolia</i>) (8)		.20	.50	
Growth similar to lingulata alba but flowers are pink. Wonderful for border plantings.				
SAXIFRAGA <i>lingulata alba</i> . White Saxifrage (8)		.20	.60	
A small evergreen plant for shade with deep glossy-green leaves. Clusters of white flowers appear in early spring.				
SCHEFFLERA <i>actinophylla</i> (10)		.20	.60	2.50
Very versatile evergreen shrub with glossy-green foliage. Small tree or used as a tub specimen.				
SCHEFFLERA <i>digitata</i> (10)				3.00
Beautiful evergreen tree to 25 feet with compound-toothed leaves. Very deep green.				<i>3 gal.</i>
SCHINUS <i>molle</i> . California Pepper Tree (8)		.18	.50	2.25
Medium-sized hardy evergreen tree with graceful weeping branches and feathery foliage.				
SCHINUS <i>terebinthifolia</i> . Brazilian Pepper Tree (9)		.18	.50	2.25
Evergreen tree with large deep green leaves. Nice shaped tree.				
SEAFOORTHIA <i>elegans</i> . King Palm (9)				1.50
Tall slender trunk with long arching fronds of bright green leaves. One of our most elegant palms.				
3" pot .50				

Lantana Callowiana Goldrush

PATENT NO. 1211

Lantana GOLDRUSH

This sensational new Lantana Goldrush (Patent No. 1211) is now available. The trailing habit of growth makes it especially popular for use as a ground or bank cover, in planters, hanging baskets and for trailing over walls. The distinctive foliage, of deep forest green, provides a hand-

some background for the profuse clusters of golden-yellow blooms that cover the plant almost the entire year. The tonic fragrance of flowers and foliage has a pleasing suggestion of eucalyptus. For detailed description and prices, see page 54.

MONROVIA NURSERY COMPANY.....Azusa, California

	2 1/4" Pot	1-Gal.	5-Gal.
SENECIO greyi (8) A hardy perennial to 3 feet, with showy heads of golden yellow flowers. Leaves are a gray color.		.60	
SKIMMIA japonica (female or male) (7) A dwarf compact growing shrub with glossy deep green foliage. Grows best in partial shade.		.75

QUANTITY DISCOUNTS

1000 Plants	10%
500 Plants	5%

These discounts apply if the following requirements are met:

- 1. All plants must be of one variety.**
- 2. All plants must be of one container size.**
- 3. All plants must be shipped at one time.**

TEMPERATURE RATINGS

(HARDINESS)

If you are in doubt of the hardiness of any plant, see the zone number placed at the right of the variety listed. Then refer to the map, pages 38, 39. These temperature ratings show our honest opinion; however, we disclaim all responsibility for correctness.

FUMIGATION

For the convenience of buyers in those states whose laws require fumigation of incoming plant shipments, MN operates two modern fumigatoriums. Although this operation is under the expert supervision of a full-time entomologist, MN assumes no liability for plant damage or loss due to fumigation. Actual operating costs are charged as follows:

2½" pots	2¢	1-gal.	7¢	5-gal.	25¢
3" pots	4¢	2-gal.	15¢	7-gal.	40¢

SHIPPING

If you do not state your preference for method of shipping, all arrangements will be made for you with speed, safety and economy in mind.

Out-of-state shipments are made most economically by our contracted carrier motor freight service.

A full semi-truck load will consist of approximately 27,000 lbs. of plant material. A combination or split load consists of several orders each consigned to a different purchaser.

To have your order included in a combination load, a minimum order of \$250.00 is necessary, and delivery will be made as soon as enough orders are accumulated to fill a semi-truck. This minimum order of \$250.00 is required as the trucking concern under contract will make only a limited number of stops per trip. Trucking charges are a cash transaction and are due to Monrovia Nursery immediately after delivery of stock. **Do not pay the driver.**

If you are unable to meet the \$250.00 minimum order, undoubtedly a nursery in your immediate area could add to the order to make this required minimum, and have stock delivered to one nursery. A number of our customers pool their orders this way.

When ordering a truckload or a carload, beyond our free delivery area, packing, loading and bracing are free.

Approximate Weights of Plants in Following Container Sizes:

1-gallon cans	8 lbs. each	2½" pots	3/10 lb.
2-gallon cans	20 lbs. each	3" pots	½ lb.
5-gallon cans	50 lbs. each	5" pots	2 lbs.
7-gallon cans	60 lbs. each	7" pots	3¾ lbs.

IF YOUR ORDER
ARRIVES BY OUR TRUCK CARRIER SERVICE,
DELIVERY CHARGES ARE DUE AND PAYABLE
IMMEDIATELY UPON RECEIPT OF INVOICE.
PLEASE DO NOT PAY THE TRUCK DRIVER.

PACKING

There is no charge made on packing lining-out stock (2½" and 3" pot-sized plants) and Azaleas. These are shipped by Railway Express unless specified differently by you. To insure safe and economical delivery, the plants are transferred from clay pots into waxed paper pots, and securely packed in sturdy, lightweight cartons. Please remember that shipping the larger plants (1 and 5-gallon sizes) by express or public motor freight is very expensive. Not only are the transportation rates high, but it is necessary that nursery stock be packed which means a packing charge as follows:

1-gallon cans	35¢	Labor and materials for stacking flats	35¢
2-gallon cans	50¢	Cost of flat	25¢
5-gallon cans	\$1.00		

DELIVERY SCHEDULE

This schedule is arranged to give you the best possible delivery service and is followed closely. However, any time you place an order for a full truckload, shipment can leave the nursery within a few days after the order is placed, regardless of the schedule. If the first of the month falls on a **Wednesday or earlier**, that week is considered the **first week of the month** as pertaining to the schedule below. Keep in mind that the minimum orders listed in the schedule are required if your stock is to be shipped by our truck or contracted carrier, however, **only an order of \$20.00 is required to have your stock shipped by express motor freight, or parcel post.**

Please—We must have your order a few days before the scheduled delivery. This not only gives us more time to select better stock, but it does insure delivery on schedule.

Area	Minimum Delivery Order	Time of Delivery
L. A. Metropolitan Area Including San Fernando, Long Beach, Santa Monica and Covina areas.	\$25.00	Weekly
Orange County	25.00	2nd and 4th Thursday of each month. Every Thursday during fall and spring.
San Bernardino and Riverside Area Including Pomona, Chino and Colton areas.	25.00	1st and 3rd Tuesday of each month. Every Tuesday during fall and spring.
San Diego Area Including Oceanside, Escondido and National City areas.	50.00	2nd and 4th Wednesday of each month.
Santa Barbara Area Including Ventura County.	25.00	1st and 3rd Monday of each month.
Palm Springs Area Including Banning and Indio areas.	50.00	4th Tuesday of each month. Any Tuesday when a full load is available.
Bakersfield Area Including Wasco and Lancaster areas.	50.00	1st and 3rd week of each month.
Fresno Area Including Madera, Delano and Visalia areas.	50.00	1st and 3rd week of each month.
Stockton Area Including Modesto and Merced areas.	100.00	2nd and 4th week of each month.
Sacramento Area	100.00	2nd and 4th week of each month.
Marysville Area Including Chico and Oroville areas.	150.00	2nd week of each month.
Paso Robles Area Including San Luis Obispo and Santa Maria areas.	50.00	1st week of each month.
Monterey Area Including Salinas, Watsonville and Santa Cruz areas.	100.00	1st week of each month.
San Francisco Area Including Martinez, San Jose and Pittsburgh areas.	100.00	1st and 3rd week of each month.
Santa Rosa Area Including Ukiah and Napa areas.	150.00	4th week of each month.

Out-of-State Shipments—To all states. Regular scheduled deliveries are made during spring and fall by contracted carrier service (motor freight)—full loads or split loads. Minimum order—\$250.00.

We will also arrange for railroad deliveries if you prefer.

RAPHIOLEPIS SPRINGTIME (TRADE MARK REG.)

PINK INDIAN HAWTHORNE

RAPHIOLEPIS SPRINGTIME (Trade Mark Reg.)

THIS recent introduction has shown an amazing acceptance by nurserymen and their customers! Most beautiful of all Hawthornes, Springtime is a riot of color from January to April. The full bloom clusters are apple-blossom pink, darkest in coastal regions, lighter inland. Evergreen foliage is deep green, a magnificent contrast to pink bloom clusters. Leaves are large, heavy in texture. Springtime grows taller, more regal than most hawthornes. Grows moderately fast.

Put Raphiolepis Springtime on your "must buy" list. Its year-round beauty will sell steadily for you. Must be sold with T.M.R. tags attached. Also described on page 67.
